Rates may be levied by Commissioners of Sewers for defraying all Costs, Charges, and Expenses incurred or to be incurred by them under the Authority of any Act of Parliament, Law, or Custom:

Second—As to the Incidence of the Rates:

(1.) A Rate levied by the Commissioners for the Purposes of defraying the Expense of any Improvements in existing Works or any new Works, where such Improvements or new Works involve an Expenditure of more than One thousand Pounds, shall be deemed to be a Special Rate, and shall be deemed to be a Tax on the Owners of Property, but, except such Special Rate, Rates leviable by the Commissioners shall be payable by the same Persons, in respect of the same Property, and in the same Manner as they are now by Law payable:

(2.) Where the Owner of any Land makes default in paying the Amount of any Rate due from him, such Amount may be levied upon and Payment thereof enforced against the Occupier of such Land, and his Goods and Chattels, in like Manner as if the same were a Rate due from such Occupier, with this Limitation, that no Occupier shall be liable to pay on account of any Owner any Sum exceeding the Rent due or that may accrue due to such Owner during the Period of his Occupancy; and subject to this Proviso, that any Occupier may, in the Absence of any Agreement to the contrary, deduct the Sum so paid by him from any Rent due or to accrue due to such Owner; and the Receipt of the Commissioners for any Rate paid by the Occupier under the Circumstances mentioned in this Section shall, to the Extent of the Monies therein expressed to be paid, be a Discharge as against such Owner of an equivalent Amount of Rent:

(4.) Whenever the Name of any Owner or Occupier liable to be rated to the Sewers Rate is not known to the Commissioners, it shall be sufficient to assess and designate him in the Rate as "the Owner or Occupier," as the Case may be, of the Land in respect of which the Assessment is made, without further Description:

Subject as aforesaid, and without the Presentment of a Jury, but with such Right of Appeal as hereinafter mentioned, Sewers Rates may be assessed, levied, and enforced in the same Manner in which they have heretofore been assessed, levied, and enforced; but nothing in this Section contained shall affect any Agreement between Landlord and Tenant.

(2.) Any Money so borrowed may, by Agreement with the Mortgagee, be paid off by equal annual Instalments of Principal and Interest, and such borrowing may be for such Time, not exceeding Thirty Years, as the Commissioners, with the Sanction of the Inclosure Commissioners, determine in each Case:

And in Cases where the Commissioners borrow any Money for the Purpose of defraying Expenses in respect of which they have determined a Part only of the District within their Jurisdiction to be liable, it shall be the Duty of the Commissioners, as between the Ratepayers of the District, to repay the Money so borrowed, with Interest thereon, out of Rates to be levied on such Part of the District only.

12. Any Shares, whether ordinary or preferential, which the Company may create under the Powers of this Act, shall be of such Amount each, and payable by such Instalments or Calls, and at such Periods, and be issued and disposed of in such Manner, and be redeemable or irredeemable, terminable or perpetual, and in other respects subject to such Terms and Conditions as the Company shall prescribe.

13. Any Stock, whether ordinary or preferential, which the Company may create under the Powers of this Act, shall be issued and disposed of to such Persons, and in such Manner, and be redeemable or irredeemable, terminable or perpetual, and in other respects subject to such Terms and Conditions as the Company shall prescribe.

14. Subject to the Provisions of this Act, all Shares and Stock which the Company may create under the Powers of this Act shall form Part of the general Capital of the Company.

15. Any Shares or Stock created under the Powers of this Act for the Redemption of other Shares or Stock, and entitled to preferential Dividends at a lower Rate per Centum per Annum than the preferential Dividends upon the Shares or Stock to be redeemed, shall, as and when such last-mentioned Shares or Stock are paid off, have the same Priority in respect of Charge upon the Company's Revenues and Payment of preferential Dividends as the Shares or Stock redeemed thereby, but, except as aforesaid, no Preference or Guarantee of Dividend which may be granted by the Company under the Powers of this Act shall prejudice or affect any Preference or Priority in the Payment of Dividend or Interest on any other Shares or Stock which may have been granted by the Company in pursuance of or which may have been confirmed by any Act of Parliament previously passed, or which may otherwise be lawfully subsisting.

16. The Company may from Time to Time, with such Consent of the Shareholders of the Company as aforesaid, convert all or any Classes of Shares then existing in the Capital of the Company, and in respect whereof the whole Money subscribed shall have been paid up into Stock to be divided amongst the Shareholders according to their respective Interests therein.

17. After such Conversion or Consolidation shall have taken place, all the Provisions of any Acts of Parliament which require or imply that the Capital of the Company shall be divided into Shares of any fixed Amount and distinguished by Numbers shall, as to so much of the Capital as shall have been so converted or consolidated into Stock, cease and be of no Effect, and the several Holders of such Stock may thenceforth transfer their respective Interests therein, or any Parts of such Interests, in the same Manner and subject to the same Regulations and Provisions as or according to which any Shares in the Capital of the Company may be transferred; and the Company shall cause an Entry to be made in some Book to be kept for that Purpose of every such Transfer.

18. The Company shall from Time to Time cause the Names of the several Parties who may be interested in any such Stock, with the Amount of the Interest therein possessed by them respectively, to be entered in a Book to be kept for the Purpose, and to be called "The Register of Holders of Stock," and such Book shall be accessible at all reasonable Times to the several Holders of such Stock.

19. The Stock into which any Shares shall be converted or consolidated under this Act shall entitle the Holders thereof, according to their respective Interests therein, to the same Amount of preferential Dividends as such Shares, and shall also entitle the Holders thereof to the same Preference and Priority in respect of the Payment of Dividends, and all other Rights and Privileges, as such Shares.

20. The Company, by Order of a General Meeting of the Shareholders, may from Time to Time borrow on Mortgage of their Undertaking such Sums as they think fit, not exceeding, inclusive of Mortgages granted by the Company before the passing of this Act, and for the Time being in force, and also inclusive of the Amount of any Mortgage Stock, and of the Amount represented by Mortgage Annuities, the Sum of 7,114,349*l.*, and such Power shall be in substitution for, and not in addition to, all other Powers of borrowing Money on Mortgage of the Company's Undertaking conferred by any Act relating to the Company.

24. It shall be lawful for the Company, from Time to Time, with the Consent of Three Fifths of the Votes of the Shareholders present, in Person or by Proxy, at any General Meeting of the Company convened with due Notice of that Object, to resolve that any Portion of the borrowed Capital of the Company, or any Debenture or other Security for which or for the Interest whereof the Company are lawfully liable, then subsisting on the Security of outstanding Mortgages or Bonds, not exceeding an Amount to be defined in and by such Resolution, may be converted either into Mortgage Stock of the Company of like Amount, with a fixed and perpetual irredeemable yearly Dividend or Interest attached, at any Rate not exceeding 4*l.* 10*s.* per Cent., or into Mortgage irredeemable Annuities at a Rate not exceeding 4*l.* 10*s.* per Cent., such Conversion to take place either by Agreement with the Holders of such Mortgages or Bonds respectively before the same respectively became due, or by paying off the same respectively when due, and creating and issuing such Stock or Annuities as aforesaid, instead of re-borrowing the Sums so paid off; and it shall thereupon be lawful for the Directors of the Company to carry into effect such Resolution or Resolutions by the Creation and Issue either of so much Stock having such fixed Rate of Interest or Dividend as aforesaid, or of such Annuities as aforesaid, as may from Time to Time be necessary for such Purpose, or partly by each of such Means, and the Stock or Annuities so respectively created and issued shall be a Charge upon the Tolls and Undertaking, and Lands, Tenements, and Hereditaments of the Company, and the Interest or Dividend of the said Stock, and the Amount of the said Annuities, and all Arrears thereof respectively, shall respectively for ever have Priority of Payment over all other Dividends on any other Stock or Shares of the Company whatever, and the Stock and Annuities respectively when so created and issued shall be termed respectively Great Western Mortgage Stock or Great Western Mortgage Annuities (as the Case may be): Provided that nothing herein contained shall in anywise prejudice or affect the Rights of the Holders of then existing Mortgages or Bonds of the Company; provided also, that, after the Conversion of any such Mortgages or Bonds into Stock or Annuities, it shall not be lawful for the Company again to borrow the Sum so converted, or to issue Mortgages or Bonds or any other Securities in respect

thereof, but the Powers of borrowing by the Company shall, to the Extent of the Sum so from Time to Time converted into Stock or Annuities, be extinguished.

25. The Holders of the said Mortgage Stock or Mortgage irredeemable Annuities shall not be entitled to vote in the Affairs of the Company.

26. The several Holders of any Annuities to be created under the Authority of this Act may transfer the Annuities for the Time being held by them, or any Part thereof, in the same Manner, and subject to the same Regulations and Provisions (mutatis mutandis), as or according to which the Capital Stock of the Company, or any Interest therein, may be transferred under the Provisions of the Act or Acts of the Company applicable thereto; and the Company shall cause an Entry to be made in some Book to be kept for that Purpose of every such Transfer, and for every such Entry they may demand any Sum not exceeding 2*s.* 6*d.*

27. The Company shall from Time to Time cause the Names of the several Parties who may be entitled to any such Annuities as aforesaid, with the Amount thereof to which they are so respectively entitled, to be entered in a Book to be kept for that Purpose, to be called "The Register of Holders of Mortgage Annuities;" and such Book shall be accessible at all seasonable Times to every Mortgagee, Bondholder, Annuitant, or Share or Stock Holder of the Company.

28. If within 30 Days after the Dividend or Interest on any Mortgage Stock or (as the Case may be) any Annuity to be granted under the Authority of this Act shall have become due, and after Demand thereof in Writing the same be not paid, the Proprietor or Proprietors of such Stock holding individually or collectively an Amount in nominal Value of 100,000*l.* or upwards, or (as the Case may be) the Holder or Holders of any such Annuity or Annuities of the yearly Amount individually or collectively of 4,000*l.*, may, without Prejudice to his and their Right to sue for the Dividend or Interest, or (as the Case may be) the Annuity or Portion thereof so in arrear, in any Court of competent Jurisdiction, require the Appointment of a Receiver by an Application to be made as herein-after provided.

"The Newcastle-under-Lyme Marsh Lands Act, 1861."

Recites that by the Act 22 Geo. 3., c. 29., intituled "An "Act for inclosing and leasing a Piece of Waste Land "called The Marsh within the Parish and Borough of "Newcastle-under-Lyme in the County of Stafford, and "applying the Profits thereof in aid of the Poors Rates "of the said Parish and Borough," certain Persons therein named and their Successors, to be elected in manner thereinafter mentioned, were appointed Trustees for putting the said Act in execution, and a Piece of Waste Land in the said Parish and Borough of Newcastle-under-Lyme called "The Marsh," was vested in the said Trustees and their Successors for ever, with Powers to lease the same for any Term not exceeding 21 Years, at the greatest annual Rent that could be obtained for the same, and for the Purpose of such leasing to divide the said Land into Lots; and the said Act directed that the Money arising under the said Act should be applied in paying the Costs thereof and the Charges of removing Encroachments and Nuisances upon the said Land and in levelling and improving the same, and that the Residue of the Money to arise under the said Act, after paying the Expense of executing the same, should be applied and disposed of by the said Trustees in the Relief and Maintenance of the Poor of the said Parish and Borough, and in aid and ease of the Poor Rates within the same, in such Manner as the said Rates are directed to be disposed of and applied; that by 22 Geo. 3. c. 10. additional Trustees were appointed, and the Trustees were empowered to lease the said Land, or any Part or Parts thereof, for any Term of Years not exceeding 200 Years, for the greatest annual Rent, or upon a small annual Rent, and for the best Price by way of Fine that could be reasonably had for the same, and for the Purpose of such leasing to divide the said Land into Lots; and the Second Act directed that no Lot should be leased for any longer Term than 21 Years in possession, unless the Lessee entered into Covenants to build on the Ground demised, within the Space of Five Years then next ensuing, a substantial Dwelling House of the Value of 200*l.* at least, exclusive of any Outbuilding on the same Land, according to such Plan and under such Covenants as should be settled by the Trustees; also to expend the like Sum of 200*l.* at least on every other Dwelling House at any Time during the said Term erected upon any Part of the Ground by such Lessee, exclusive of any Outbuildings to the same respectively; also that no such Dwelling House should be divided into Tenements of less Value than as aforesaid, nor any Part thereof underleased (except such Part should be of the Value of 200*l.* respectively), but that each Dwelling House that should be erected and occupied by a distinct Family should be of the full Value of 200*l.*; that at the Time of the passing of the said recited Acts the Borough of Newcastle-under-Lyme was co-extensive with the Parish of Newcastle-under-Lyme; that the Borough has since been extended beyond the said Parish by the Act 5 & 6 Will. 4. c. 76. for the Regulation of Municipal Corporations in England and Wales, but the extended Portion of the said Borough has no Interest in any Portion of the Rents of the Marsh Lands; that the Restrictions imposed by the Second Act are objectionable, and prevent the said Land being taken for building Purposes; that Part of the said Piece of Land called The Marsh was in or about the Year 1798 taken by the Newcastle-under-Lyme Junction Canal Company under the Authority of the Act of Parliament relating to that Company, and the Consideration therefor was a perpetual annual Rent of 5*l.* payable thereout, and such Land has since been taken from the said Canal Company by the North Staffordshire Railway Company under the Authority of the Acts of Parliament relating to that Company, and such Land is now used for the Purposes of the Railway and Works of the last-mentioned Company, who are now entitled thereto in Fee Simple, subject to the said Rent; that other Part of the Freehold of the said Piece of Land called The Marsh, containing by Admeasurement 900 Square Yards, was some Years since exchanged by the Trustees acting under the said Acts with John Edensor Heathcote, Esquire, for another Piece of Land of the same Extent, also formerly Part of the said Piece of Land called The Marsh, but at the Time of such Exchange vested in the said John Edensor Heathcote in Fee, subject only to the Payment to the said Trustees of a perpetual annual Rent of 4*l.* 10*s.*, and the Consideration for such Exchange was the Discharge of the Land received by the Trustees in exchange from the Rent theretofore payable in respect thereof, and the Charge by the said John Edensor Heathcote of a perpetual annual Rent of the same Amount upon the Land received by him in exchange, and the said John Edensor Heathcote is now entitled to the Land so received by him, in Fee Simple, subject to the said Rent; that shortly after the making of such Exchange as last aforesaid the said North Staffordshire Railway Company, under the Powers of their said Acts, took from the said Trustees not only the said 900 Square Yards of Land so received by them in exchange as aforesaid, but also 1,500 Square Yards of Land adjoining thereto, also Part of the said Piece of Land called The Marsh, and the Consideration for the Land so taken by the said Company was a perpetual annual Rent of 12*l.*, and such Land is now used for the Railway and Works of the said Company, who are now entitled thereto, in Fee Simple, subject to the said Rent; that the said Piece of Land called The Marsh, exclusive of the Land so given by the said Trustees in exchange as aforesaid, and also of the said Land so taken by the said Company as aforesaid, contains 16 Acres 3 Roods and 3 Perches, and the same is divided as mentioned in the Schedule to this Act annexed; that the said Land could be made much more productive, and it would be of advantage to the said Parish if the Powers herein-after mentioned were vested in the Trustees, and it would be convenient in the Management of the Trust if the Trustees were incorporated and some of the Powers of the recited Acts amended and extended.

"The Baggymoor Drainage Act, 1861."

Recites that by an Act passed in the 17th Year of the Reign of His late Majesty King George the Third, intituled "An Act for dividing and inclosing the Moors, Commons, "or Waste Grounds within the Manors of Baschurch, "Hordley, Stanwardine-in-the-Wood, Weston Lullingfield, "and Stanwardine-in-the-Fields, or some of them, in the "County of Salop," it was recited that there were within the said Manors several Moors, Commons, or Waste Grounds, called Boggy Moor, otherwise Baggymoor or Bagley Marsh, Stanwardine Moor, Wicherley Moor, Weston Common, and Weston Moor, and other Waste Lands, containing by estimation 1,290 Acres or thereabouts; and that the said Moors, Commons, or Waste Grounds, and also several Freehold Lands near or adjoining to the same were, in their then Situation, subject to Inundations, and were frequently overflowed and incapable of any considerable Improvement; but it would be an Advantage to the several Persons interested therein if the same were divided, inclosed, and drained, and specific Shares of the said Moors, Commons, or Waste Grounds were allotted to each Person's Right and Interest in and to the same; that by that Act Commissioners were appointed for dividing and allotting the said Moors, Commons, or Waste Grounds, and for carrying the several Purposes of the said Act into execution; and it was enacted that, as soon as conveniently might be after the passing of the said Act a Survey should be made of the said Moors, Commons, or Waste Grounds, and of the ancient inclosed Lands within the said several Manors belonging to all and every Person and Persons interested in the Moors, Commons, or Waste Grounds by the said Act intended to be divided and inclosed, and also of all and singular the Freehold Lands near or adjoining to the said Moors, Commons, or Waste Grounds which were subject to be damaged by Inundations, that should receive any Benefit by the passing of the said Act, which Survey, it was enacted, should be reduced into Writing, and the Number of Acres, Roods, and Perches belonging to each Proprietor therein set forth, ascertained, and declared; and it was also enacted that the same, when so made, should be laid before the Commissioners, and verified on Oath by the Person or Persons making the same; that the Commissioners were directed by the said Act, on the Completion by them of the Divisions and Allotments of the said Moors, Commons, or Waste Grounds in pursuance of the said Act, to form and draw up an Award and Instrument thereof, which should express and contain the Quantity or Number of Acres, Roods, and Perches contained in the said Moors, Commons, or Waste Grounds, and the Quantity and Contents of each and every Part and Parcel thereof assigned and allotted to each of the Parties interested in and entitled to the same, with a Description of the Situation, Buttals, and Boundaries thereof respectively, and with proper Orders and Directions for fencing and mounding the same, and for making and laying out proper Roads and Ways, as well public as private, in, through, and over the same; and in which said Award or Instrument should also be expressed and contained such other Orders, Regulations, and Determinations as should be proper and necessary to be inserted therein, conformable to the Intent and Purpose of the said Act, which said Award or Instrument, together with the Map or Plan of the Inclosures, should be fairly engrossed or written or drawn out on Parchment, and signed and sealed by the said Commissioners, or any Two of them, and should within Six Calendar Months after the same should be signed and sealed as aforesaid be enrolled by the Clerk of the Peace for the County of Salop, or in One of Her Majesty's Courts of Record at Westminster, to the end Recourse might be had to the same by all Persons interested in the said Division and Inclosure, for his, her, or their Inspection and Perusal; and it was by the said Act enacted that the several Divisions and Allotments to be made in and by such Award or Instrument so executed and enrolled as aforesaid should be and they were thereby declared to be binding and conclusive unto and upon all and every the Parties interested in or entitled unto the several and respective Lands and Grounds so intended to be divided and inclosed as aforesaid; that an Award was made on the 14th Day of March 1783 in manner prescribed by the said Act, and duly enrolled; that after a Recital in the said Act to the Effect that the then Course of the River Perry, which in a Portion of its Course divides the Parishes of Baschurch and Hordley from the Parishes of Baschurch and West Felton,

was very crooked and angular, by means whereof, and of certain Shoals and Erections obstructing the free Passage of the Water, a considerable Part of the said Moors or Commons or Waste Grounds, and of the inclosed Lands on each Side of the said River, were frequently subject to be overflowed, and that it would be a mutual Benefit and Advantage to the Proprietors of Allotments to be set out in pursuance of the said Act, and to the Owners of the said inclosed Lands, if the Course of the same was made straighter, and such Shoals and Obstructions removed, which would be the Means of draining and preserving the said Allotments and Lands then already inclosed, and of preventing in a great Degree, if not entirely, their being overflowed, Powers were thereby granted to the said Commissioners to treat with the respective Owners or Proprietors of Lands in the Parishes of Ruyton (otherwise Ruyton-of-the-Eleven-Towns), West Felton, Hordley, and Baschurch, as well for the Purchase or Exchange of so much of the Lands abutting upon the said River Perry as they should adjudge necessary for straightening the Course or Passage of the Water for the Purpose of draining and preserving the said Moors, Commons, or Waste Grounds, by the said Act intended to be divided and inclosed, and the inclosed Lands adjoining to the River on each Side thereof, as for the Expenses attending the same; that after a Recital that it might be necessary, for the Purpose of acquiring a sufficient Fall of Water for the effectual draining and preserving the said Moors, Commons, or Waste Grounds and the inclosed Lands adjoining to the River Perry, to take down and remove the Dwelling House called Wikey's Wear, and certain Mills called the "Ruyton Mill" and the "Plat (now called Platt) Mill," the said Commissioners were by the said Act empowered to treat, contract, and agree with the several Owners or Proprietors of or Persons interested in Wikey's Wear aforesaid, and in the said Mills called "Ruyton Mill" and the "Platt Mill," for taking down the same or such of them as they should adjudge necessary for carrying the Purposes of the said Act into execution, and to scour, alter, and convert into a more direct Line and enlarge the Course of the said River Perry, and to make such Ditches, Drains, Watercourses, Cloughs, Stanches, Sluices, Bridges, or other Works, as well in and over the same, as in, through, or over the Moors, Commons, or Waste Grounds by the said Act intended to be divided and inclosed as aforesaid; and any ancient Inclosures or other Lands or Grounds within the said Parishes of Baschurch, Ruyton-of-the-Eleven-Towns, West Felton, Hordley, and Ellesmere, near or adjoining to the said Moors, Commons, or Waste Grounds, as they should judge necessary for the effectual draining and preserving the said Lands and Grounds, and for the convenient Use and Occupation of the same, making Satisfaction by allotting such Parts and Proportions of the said Moors, Commons, or Waste Grounds to the Proprietors of such Dwelling House, Mills, and ancient Inclosures for so doing as the said Commissioners and such Proprietors should determine and agree upon; and the said Commissioners were, by the said Act, required in and by their said Award to direct and appoint by whom, at whose Expense, at what Times, and in what Manner the several Works aforesaid should be made, and thereafter repaired, cleansed, scoured, and maintained; that the Commissioners, in pursuance of the said Act, removed some of the Obstructions in the River Perry, constructed various Dams and Embankments, and executed other Works with the View of improving the Passage of the Water of the said River and the Drainage of the Lands adjacent thereto; and they did by their said Award make various Orders, imposing upon the Owners of the Lands adjoining the said River and Drains the Burden and Charge of making and keeping in Repair the Banks and other Works necessary for keeping the said River in its Course, and for cleansing and scouring the said River and Drains; but they did not remove the said Mill called the "Platt Mill," nor a certain Wear in connexion therewith, called the "Platt Mill Wear," across the said River, nor entirely remove Two other Wears or Fords, called "Ruyton Wear" or "Ford" and "Wikey's Wear" or "Ford," nor sufficiently straighten the Channel of the said River within the Limits of the said Act where it is most crooked and irregular, and consequently no sufficient Outfall for the Drainage of the said Lands has ever been established, and a proper Passage for the Flow of the Waters of the said River has not been made; that the Lands and Grounds divided and inclosed as aforesaid, and the other Lands intended to be benefited by the Operation of the said recited Act, have been brought into Cultivation, but the same are now and have for many Years past been liable to be overflowed in consequence of the Obstructions still existing within the said River, and the Want of a straight and direct Channel for the Waters of the same as aforesaid, whereby the Improvement of the said Lands has been greatly impeded, and the Health of the Inhabitants of the District on either Side of the said River has been greatly injured; and whereas it is expedient that Powers should be granted for further draining, improving, and preserving the Lands inclosed under the said recited Act, or which were benefited or intended to have been benefited under the Powers and Provisions thereof; that it is expedient that the said Wear across the River Perry, now called the "Platt Mill Wear," and the before-mentioned Wears or Fords across the same River, called respectively "Ruyton Wear" or "Ford" and "Wikey, otherwise Wikey's Wear" or "Ford," situate in the said Parishes of Ruyton-of-the-Eleven-Towns and Baschurch, or One of them, in the County of Salop, should be altered or removed; and that the said River Perry should be altered, deepened, widened, straightened, scoured, diverted, and otherwise improved between a certain Bridge across the same, situate in the said Parishes of Baschurch and Ruyton-of-the-Eleven-Towns, or One of them, Five hundred Yards or thereabouts below the said Platt Mill Wear, and called the "Platt Mill Bridge," and a certain other Bridge across the said River, called "Rednall Mill Bridge," situate in the Parishes of West Felton and Hordley, or One of them, in the County of Salop; and that a new Cut or Channel should be made and maintained for carrying the said River in a more direct Course for a Portion of the Distance between the Points aforesaid, as hereinafter authorized; and that the Powers of the said Act should be enlarged.

"The Newgate Market Abolition Act, 1861."

Whereas by an Act passed in the Twenty-second Year of the Reign of King Charles the Second, Chapter Eleven, intituled "An additional Act for rebuilding the City of "London, uniting of Parishes, and rebuilding of the Cathedral "and Parish Churches within the said City," it was enacted, that for ever thereafter the Mayor and Commonalty and Citizens of London might and should have a Market to be kept Three or Four Days in the Week as to them should seem convenient, upon the Ground then set out by the Dean and Chapter of the Cathedral Church of Saint Paul, London, for a Market Place within Newgate, and that the said Dean and Chapter should make and give One or more Lease or Leases of the said Ground to the said Mayor and Commonalty and Citizens, and also of the Wall of the said Churchyard abutting severally upon Paternoster Row and the Old Change (which Wall is not contiguous to Newgate Market) for the Term of Forty Years, reserving the yearly Rent of Four Pounds for the Ground of the said Market Place, and Twopence for every Superficial Foot of the Ground or Soil of the said Wall as it was then set out by the Surveyors of the City and of the said Dean and Chapter ; and so from Forty Years to Forty Years for ever and at the like yearly Rent, and One Year's Rent after the Rates aforesaid to be paid by way of Fine for each of the said Grounds respectively upon the making every new Lease thereof, which said Lease and Leases should be good and effectual in the Law as against the said Dean and Chapter and their Successors, and all Persons claiming by, from, or under them ; and that no House, Shed, or other Building should stand or thereafter be erected and fixed upon the said Market Place other than the Market House already built

without the Consent of the said Dean and Chapter, anything in the said Act or any other Act to the contrary notwithstanding: And whereas the Site of the Market held under the Authority of the said Act is small and confined, and wholly inadequate to supply the Accommodation required to meet the Wants of the increased and rapidly increasing Population of the Metropolis, and from the inconvenient Situation of the said Market, and from the Narrowness of the surrounding Lanes and Streets, and other Approaches thereto, which are crowded with Shambles and Slaughter-houses and Salesmen's Shops, Nuisances and Obstructions have been created in the Centre of the City which ought to be removed: And whereas by "The Metropolitan Cattle Market Act, 1851," Provision was made for erecting Slaughter-houses to serve the public Markets of London upon an open Space close to the Cattle Market, and at a proper Distance from any Dwelling Houses or Shops: And whereas by "The Metropolitan Meat and Poultry Market Act, 1860," the Mayor and Commonalty and Citizens of the City of London were empowered to erect commodious Meat and Poultry Markets, with spacious surrounding Streets, near to the ancient Site of Smithfield: And whereas by some of the Acts relating to the Metropolitan Railway Authority was given to connect, by means of a Railway, the Slaughter-houses at the Cattle Market with the proposed Meat and Poultry Market, so that Animals brought by the Provincial Lines of Railway to the Market might be slaughtered and conveyed to the Place of ultimate Sale without traversing the Streets of London: And whereas it is expedient that the said Market, commonly called Newgate Market, should be dismarketed, and the ancient Site thereof sold and disposed of, and that Dwelling Houses and Shops and other Buildings should be erected thereon, and that Facilities should be given for the Removal of the Shambles and Slaughter-houses and other Nuisances and Obstructions in the Vicinity of the said Market: And whereas it is expedient that if the Tolls granted by "The Metropolitan Meat and Poultry Market Act, 1860," at the End of Five Years from the opening of the said Market shall prove insufficient for the Purposes specified in the said Act and this Act, they should be increased.

Incorporation of Lands Clauses Act, except its compulsory Powers, § 3.

4. Such and so many of the Clauses and Provisions contained in the Act passed in the Session of Parliament holden in the Seventh and Eighth Years of the Reign of Her present Majesty, intituled "An Act for regulating the Construction "and the Use of Buildings in the Metropolis and its Neigh-"bourhood," as relate to the Removal of Slaughter-houses and other Nuisance Trades, shall be incorporated with and form Part of this Act, and may be put in force within the Parishes of Saint Faith's under Saint Paul's, and Christchurch, in the City of London, the Common Council being for the Purposes of the said Act deemed to be the Persons authorized to present a Memorial to Her Majesty in Council.

24. Whenever the Amount received in respect of the Supply of Water under the recited Act and this Act respectively in any One Quarter of a Year shall be insufficient for paying so much of the Monies first, secondly, and thirdly mentioned in the last preceding Clause of this Act as are due in the Quarter, the Commissioners may, in addition to the Rates and Monies by the recited Act and this Act respectively authorized to be levied, make, assess, and levy in respect of the Supply of Water within the Limits of this Act such a Rate as shall be sufficient to meet the Deficiency, and the additional Rate shall be applied in making good the Deficiency accordingly.

1. It shall be lawful for the Company to abandon so much of their said Bangor Branch as they have still Power to make, and the 39th Section of the said Act of 1855 shall be read and construed as though the said Bangor Branch had not been by that Act authorized to be made.

14. Section 21 of "the Act of 1846" is by this Act repealed, and for the Purpose of ascertaining from Time to Time the annual Deficiency to be paid by the North-western Company by way of Guarantee, as provided by "the Act of 1846," the Monies raised by the Company for the Purpose of subscribing for Shares in the Undertaking authorized by "the Stour Valley Act," shall be deemed to be Part of the unallocated Debt owing by the Company, and the Interest thereof shall be deducted from the gross annual Income of the Company as if the same were. "Thorne Moor Improvement Act, 1861."

Recites an Act of 1848 for draining, warping, and otherwise improving Thorne Moor, in the West Riding of Yorkshire, by which Act a Company was incorporated under the Style of "The Thorne Moor Improvement Company," with Power to purchase by Compulsion and hold certain Lands in or near the said Moor for the Purpose of the Works of warping, and to purchase by Agreement other Lands for the Purpose of improving the same, or to facilitate such Improvement; that the Powers granted by the said Act for the compulsory Purchase of Lands have expired, but the Powers granted for the Execution of the Works of Drainage, warping, and improving will not expire until the Year 1868; that the said Act was obtained and the Company thereby incorporated was formed in the Expectation that a Railway, called "The Great Northern Railway (Isle of Axholme Extension)," authorized by an Act of Parliament passed in the Year 1848, would be constructed across Thorne Moor, and would afford great Facilities for the warping thereof, and by the said Act Provision was made for such Facilities; but the Powers of the said Act were never carried into effect, and the Operations of the Company in improving the said Moor have been suspended, and it is expedient that certain of the Powers of the Company should be extended; that in the Act of 1848 Provision is made for the Settlement by Arbitration of certain Disputes which had long subsisted between the Participants of the Level of Hatfield Chase and the Owners of the said Moor Lands, and among the said Owners themselves; and an Agreement has been come to between the said Participants and the said Owners which it is expedient to carry into effect; and it is also expedient that a certain Lease of Part of the said Moor Lands should be confirmed, which was granted many Years since to Ralph Creyke, Esquire, and the Right Honourable Thomas Henry Sutton Sotheron Estcourt, and on the Faith of which Lease the Lessees have expended considerable Sums of Money in improving Parts of the Moor Lands, and it is expedient that the said Act should be in other respects amended as herein-after is contained.

"The Hull Docks Act, 1861."

Preamble recites that by the Act of the 14th Year of George the Third (1774), Chapter 56 (the short Title of which Act is the "Kingston-upon-Hull Dock Act, 1774"), the Dock Company at Kingston-upon-Hull were incorporated, and authorized to make and maintain at Kingston-upon-Hull the Dock formerly called the "Old Dock," but now called the "Queen's Dock," with a Communication from the River Hull, the lower Part of which River is now called the "Old Harbour," and were authorized to demand and take Tonnage Rates on Vessels and Wharfage Rates on Goods, and Provision was made for the Execution of the Works, and the Management of the Docks being carried into effect, not by the Company but by Commissioners under the Act, and the Guild or Brotherhood of Masters or Pilots Seamen of the Trinity House in Kingston-upon-Hull were authorized to appoint a Dock and Haven Master for the Purposes of the Act; that by the Act (Local and Personal) of the 42d Year of George the Third (1802), Chapter 91 (the short Title of which Act is the "Kingston-upon-Hull Dock Act, 1802"), the Company were authorized to make and maintain (and they made and still maintain) a Second Dock at Hull, now called the "Humber Dock," with a Basin thereto, now called the "Humber Dock Basin," and a Third Dock,

formerly called the "Junction Dock," but now called the "Prince's Dock;" that the Act (Local and Personal) of the 45th Year of George the Third (1805), Chapter 42 (the short Title of which Act is the "Kingston-upon-Hull Dock Act, 1805"), was afterwards passed with respect to the Company; that by the Act (Local) of the Session (1844) of the 7th and 8th Years of Her present Majesty, Chapter 103 (the short Title of which Act is the "Kingston-upon-Hull Dock Act, 1844"), the Company were authorized to make and maintain (and they made and still maintain) at Hull a Fourth Dock, now called "the Victoria Dock," with Basins and a Timber Pond respectively connected therewith, and a Fifth Dock, now called "the Railway Dock," communicating with the Humber Dock, and were authorized to demand and take, in addition to the Inward Wharfage Rates on Goods theretofore granted to them, Outward Wharfage Rates on Goods, subject in the Events and at the Times therein specified, to Revision, Limitation, or Extinction by the Board of Trade, and Exemption in the Events therein expressed from Tonnage Rates and Wharfage Rates granted to the Company was provided for Vessels using any Dock thereafter constructed within the Limits of the Port of Hull by any Parties other than the Company, and Provision was thereby made for a new Body of Commissioners for managing the Trade and Business of the Docks, and with Authority to make Byelaws for the Purpose, and Provision was thereby made for the watching of the Docks by the Borough Police of Kingston-upon-Hull; that by the Act (Local) of the Session (1845) of the 8th and 9th Years of Her present Majesty, Chapter 5 (the short Title of which Act is the "Kingston-upon-Hull Dock Act, 1845"), the Company were authorized to enlarge (and they accordingly enlarged) the Railway Dock, and further Provision was made with respect to the Tonnage Rates and Wharfage Rates payable to the Company; that the Act (Local) of the Session (1847) of the 10th and 11th Years of Her present Majesty, Chapter 283 (the short Title of which Act is the "Kingston-upon-Hull Dock Act, 1847"), and the Act (Local) of the Session (1849) of the 12th and 13th Years of Her present Majesty, Chapter 69 (the short Title of which Act is the "Kingston-upon-Hull Dock Act, 1849"), and the Act (Local) of the Session (1854) of the 17th and 18th Years of Her present Majesty, Chapter 13 (the short Title of which Act is the "Kingston-upon-Hull Dock Amendment Act, 1854"), were afterwards passed with respect to the Company; that the "Hull Dues Act, 1852," and the "Humber Conservancy Act, 1852," and the "Kingston-upon-Hull Improvement Act, 1854," respectively affect the Company; that the Trade and Commerce of the Port, and the Resort of Shipping thereto, have been and are increasing; that the making and maintaining of the new (the Sixth) Dock and Works by this Act authorized would be of great public Advantage, and afford the requisite additional Accommodation, and the Company are willing to make and maintain the same; also that it is expedient that Provision be made for an Alteration of the Lines of the Hull and Selby Railway, leading to the Goods Station of the North-eastern Railway, which is built on Land of the Hull and Selby Railway Company, now in Lease to the North-eastern Railway Company, and it is also expedient that the Dock should be connected with that Railway by means of a Line of Railway, commencing at or near the Western Boundary of the Borough, and terminating at or near the intended Dock; that Plans and Sections have been duly deposited showing the Situation, Lines, and Levels of such new Dock (the Sixth), and the Enlargement of the Humber Dock Basin, and the Alteration of the Hull and Selby Line of the North-eastern Railway, now in Lease to the North-eastern Railway Company, and the Railway to connect that Line with the Dock and other Works in connexion therewith on Lands and Part of the Foreshore respectively lying to the Westward of the Humber Dock Basin; that the Tonnage Rates on Shipping which the Company are authorized to receive are charged on the Burthen of the Vessel according to Admeasurements prescribed in the Act of 1774, and by means thereof a Revenue is received by the Company considerably exceeding the Revenue which would arise if the Rate were made on the registered Tonnage, but that it is expedient that the Tonnage Rates received in the Western Dock, and in all the existing Docks of the Company, should be uniform; that the yearly Sum of 6,333*l.* 17*s.* 4*d.* is paid to the Company by the Lords Commissioners of Her Majesty's Treasury by way of Compensation to the Company for Differential Dues on Foreign Shipping, to which the Company, under the recited Acts, or some of them, are entitled, but which, by reason of Reciprocity Treaties with Foreign Countries, are not now levied by the Company, and it is expedient that Provision be made for the Cesser of that Compensation; that it is expedient that the Dock Commissioners be discontinued, and the Authority of the Dock and Harbour Master and his Assistants, appointed by the Hull Trinity House, so far as regards the Docks and Works of the Company, should cease, and that Provision be made for the Transfer of the Docks, Works, and Property of the Company to a Body of Trustees, or a Board of Commissioners, to be, on the Application of the Hull Corporation, established by Parliament for the Purpose; that it is also expedient that the Management and Regulation of the Docks and Works, and Business of the Company, be vested, until such Transfer, in the Company, and that further Provision be made for the Regulation, Management, and User of the Docks, Warehouses, and Works of the Company, and of the Shipping resorting thereto; further, that by the Act of 1774, the Company were authorized to raise a Capital of 80,000*l.* by Shares of their Undertaking of 500*l.* each, and to borrow not exceeding 20,000*l.*; that by the Act of 1802 they were authorized to raise additional Capital by the Creation and Sale of 30 new Shares of their Undertaking, and to borrow further Money; that by the Act of 1849 they were authorized to borrow any further Sums not exceeding in the whole 150,000*l.*, and by the Act of 1854 they were authorized to borrow any further Sums not exceeding in the whole 150,000*l.*, and were authorized to convert their Debenture Debt into Stock or into perpetual Annuities, and to create a preferential Stock, to be called "Kingston-upon-Hull Docks Debenture Stock," for the Purpose of redeeming their Debenture Debt; that the Company had, on the 1st Day of December 1860, raised by Debenture Stock and on Mortgage or Bond, under the Powers of the Act of 1844 and the subsequent Acts conferring such Powers, the followings Sums; (that is to say,)

6,740*l.* by Debenture Stock,

634,110*l.*, or thereabouts, on Mortgage, Bond, or Loan, and they had Power to borrow on Mortgage or Bond the further Sum of 59,150*l.*, or thereabouts; that the Company have not created or issued more than 120 of the Shares of their Undertaking, which by the Act of 1774 they were

authorized to create and issue, and with the 30 Shares of their Undertaking which under the Act of 1802 were created and sold, and the 30 Shares of their Undertaking which under the Act of 1805 were created and sold, there are now 180 Shares of the Undertaking of the Company; that the Company have expended in and about the making of the Docks, Warehouses, and other Works, large Sums of Money, and it is expedient that the present nominal Value of the Shares in the Company should be declared as hereinafter provided; and that the Company be authorized to raise Money for the Purposes of the new Works by this Act authorized.

that the Company had, on the 1st Day of December 1860, borrowed upon Mortgage the Sum of 59,916*l.* 8*s.* 5*d.*; that some Portions of the Lands upon which the Railways and Works have been formed, or which are used in connexion with or for the Purposes of such Railway and Works, are held by the Company under certain Way-leave and other Agreements, subject to certain yearly or other Rents and annual Payments thereby reserved, and that it is expedient that the Company should be empowered to purchase the Rights, Estates, or Interests of any Persons or Corporations existing in any of the said Lands or Grounds, or to enter into other Arrangements with reference thereto, and that they should be enabled to raise further Monies.

Cap. cvii.

"The Cork and Youghal Railway Act, 1861."

Recites that by the Acts contained in the Schedule the Cork and Youghal Railway Company have been authorized to construct a Railway from Saint Patrick's Hill in the City of Cork to the Town of Youghal, and also to construct a Branch Railway to the Harbour of Queenstown, and the Railway is now open for public Traffic between Cork and Youghal, and it would conduce to the public Convenience if the Company were authorized to extend their Railway into the Town of Youghal; that the Time granted to the Company for the Purchase of Lands by their Act of 1855 expired in the Year 1858, and the Time granted for the Execution of the Works therein authorized expired in the Month of July 1860, and the Time granted by the Act of 1856 for the Purchase of Lands expired in 1859, and the Time for the Execution of the Works therein authorized will expire in the Month of June 1861; and it is expedient that the Power of purchasing certain Lands herein-after mentioned should be revived, and that the Time for executing the Works authorized by the said Acts should be extended; that in the Construction of the Railway it has been found either impracticable or to be attended with Inconvenience to the Public, that the Four Roads herein-after mentioned should be crossed by the Railway otherwise than on the Level, and accordingly the Railway has been made on the Level of the said Roads, and it is fitting that express Provision should be made for regulating such Crossings; that certain Provisions are made in the original Act of the Company (1846), and are repeated in the Acts of 1854 and 1855, to secure the uninterrupted Navigation of Glanmire Creek and other tidal Waters, and it is expedient that the said Provisions should be amended; that by the 31st Section of the Act of 1846 the Company are required, before constructing any Part of their Railway upon the Slob of the River Lee, to deposit 10,000*l.* with the Cork Harbour Commissioners, "to be expended by the "said Commissioners in the necessary Works for widening "the said River Lee and in improving the Navigation "thereof," and the same Enactment is repeated in the Act of 1854, but is repealed in the Act of 1855, which provides "that the said Sum of 10,000*l.* shall be paid by the Company "on the 1st Day of August 1860, and shall be a Charge "on the Undertaking of the Company and upon all Calls "upon the Shareholders to be made after that Day," and the said Charge has by the said Act Priority over all Mortgages granted by the Company, unless to the Exchequer Loan Commissioners; and in order to enable the Company to provide for the said Payment it is expedient that the Provisions herein-after contained should be made with respect to the said Sum; that the Share Capital of the Company was reduced by the Act of 1854 to 375,000*l.*, and the Company were thereby authorized to borrow 125,000*l.*, and by the Act of 1855 to raise an additional Sum of 50,000*l.* by Shares, and 16,000*l.* by Mortgage; that by the Act of 1857 (§ 3), the Company are prohibited from issuing certain cancelled Shares representing 105,000*l.*, and the Share Capital of the Company as authorized by the Act of 1854 is thereby reduced to 270,000*l.*, and the Loan Capital is reduced to 90,000*l.*, but the Capital authorized to be raised by Shares and Loan under the Act of 1855 is expressly saved; that it is expedient that the Company should have Power to raise additional Capital, not only for the Purposes of this Act but for the general Purposes of their Undertaking.

Recites the several Acts relating to the Westminster Improvement Commissioners; that they have under the Powers of the said Acts, or some or One of them, borrowed large Sums of Money on Mortgage or Bond, and Judgments have been recovered against them; that the Mortgages granted by the Commissioners, or some of them, comprise the Interests purchased and conveyed, and contain Covenants by the Commissioners for the Purchase by them, and the Conveyance to the Mortgagees respectively of the Interests outstanding; that the Bond Debts of the Commissioners, except a small Amount raised by virtue of the prior Improvement Acts, are secured by Bonds granted by the Commissioners under their Act of 1853, or in pursuance of an Indenture of Settlement of the 26th Day of May 1852, therein referred to, and which Bonds are or were entitled to the Benefit of an Indenture of Mortgage, also dated the 26th Day of May 1852, referred to in that Act, and of a Deed of Covenant also dated 26th May 1852, and of an Indenture of Assignment, dated the 18th Day of April 1855; that the Improvement Acts contain Provisions authorizing the said Commissioners to grant Building Leases of, and to sell and dispose of the Lands acquired by them for the Purposes of the same Acts, and not required for the Purpose of being made into Thoroughfares; that the Trustees for the Bondholders under the aforesaid Indenture of the 26th Day of May 1852, some Time since, by a Deed dated the 26th Day December 1857, assumed to re-convey and re-assign to the Westminster Improvement Commissioners the whole of the Estates, Property, and Interests vested in them under the said Indentures respectively; that it is expedient that the Constitution of the said Commission should be altered, and that the Lands and Property of the Commissioners acquired or to be acquired under the Powers of the said Acts or this Act should be sold, and that their net Assets should be realized and distributed as Occasion may arise among the Creditors in a due Course of Administration, and that for such Purposes the Commissioners so newly constituted should have and exercise certain Powers and Discretions; that it is desirable that, subject to the Provisions of this Act, the said Commissioners so newly constituted should be authorized to take the Lands mentioned in Schedule A. to the Act; that it would promote the Sale, Exchange, and Leasing upon advantageous Terms of the Lands acquired under the Powers of the Acts, and of all Lands vested in the said Commissioners or Trustees under the said Deeds of Settlement and Mortgage of the 26th Day of May 1852, and of the said Assignment of the 18th Day of April 1855, or in any Trustees for the Commissioners or for the Bondholders and the general Creditors of the said Commissioners, and thereby aid and assist the said Commissioners in the Completion of their Undertaking, and in the Payment and Discharge of the said Mortgage and Bond and other Debts, and it would also conduce to the Execution of the Improvements in the said City of Westminster, and be for the Public Advantage and Benefit, if the said Commissioners so newly constituted were authorized to exercise the Powers and generally to act in the Manner by this Act provided.

The Commissioners shall keep a Book containing an Account of all Leases, Sales, and Exchanges made by them, and such Book shall show distinctly with reference to every Lease, Sale, or Exchange the following Particulars, viz., the Land leased, sold, or exchanged, the Date of such Lease, Sale, or Exchange, the Person or Persons to whom, and the Rent, Term of Years, Price of Land at or for which it has been leased, sold, or exchanged, and the Date of Payment of the Purchase Money; such Book shall be open to the Inspection of all the Mortgagees and Bondholders or their Agents at all reasonable Times.

34. The Company may draw and let off the Water of either of the present Compensation Reservoirs, when and as often as it shall be requisite for the Purpose of repairing or cleansing the same or any Part thereof, or for any other necessary Purpose, the Company thereby doing as little Damage as possible, and using all reasonable Despatch in reinstating the Reservoir, and during the Work permitting the Stream to flow freely down the Churnet; provided that, unless in case of absolute Necessity, the Water shall not be drawn off by the Company from more than One Compensation Reservoir at the same Time.

35. The Company shall constantly employ, at their own Expense, a proper Person or proper Persons, to be approved by the Canal Owners and Mill Owners, who shall manage and regulate the Discharge of the Water from the present Compensation Reservoirs respectively for the Use of the said Canals and Churnet and Dove Mills, in accordance with the Provisions of this Act, and who shall keep in a Book, to be provided by the Company for that Purpose, and in such Form as shall be approved by the Canal Owners and Mill Owners, an accurate daily Register showing the Height of Water in those Reservoirs respectively and the Discharge of Water therefrom;

42. From and after the Time when the Company, in accordance with this Act, begin to take and use any additional Quantity of Water, in respect of any further Storage Works, all the Powers and Provisions of this Act with respect to the present Compensation Reservoirs, and the Canal Owners and the Mill Owners and the Company respectively in respect of the same, shall extend and apply to the respective further Storage Works and the Canal Owners and the Mill Owners and the Company respectively in respect of the same.

43. All Notices given by the Company to the Mill Owners for the Purposes of this Act may be given to them by leaving the same at each of the Churnet and Dove Mills for the Owner and Occupier of the same.

44. The Company shall pay the reasonable Charges of the Mill Owners Engineers, and of the Arbitrator, if any, with respect to the inspecting, examining, and certifying of the further Storage Works.

"The Carlisle Citadel Station Act, 1861."

Preamble recites the Acts incorporating the Lancaster and Carlisle Railway Company and the Caledonian Railway Company; that by the Caledonian Railway (Carlisle Deviation) Act, 1846, the Caledonian Company were authorized to make a Deviation of the Caledonian Railway from the River Eden to a Point at or near to Crown Street in Carlisle; and by the Lancaster and Carlisle Act of 1846, the Powers and Provisions of the Lancaster and Carlisle Act of 1844 were extended to the reciting Act, and the Lancaster and Carlisle Company were authorized to provide a Station at Carlisle, and to alter, extend, and enlarge the Railway and Station and Works there then belonging to them, and to make and maintain a Railway, with all necessary Works and Conveniences connected therewith, commencing from the Line of the Lancaster and Carlisle Railway at or near to the Point of Junction thereof with the Newcastle and Carlisle and the Maryport and Carlisle Railways at or near to Carlisle, and terminating at Borough Street in Carlisle; that the Lancaster and Carlisle Company made the Lancaster and Carlisle Railway, and several Branches therefrom, and, under divers Acts of Parliament, acquired divers Railways and Works made by other Railway Companies, and which Branches, Railways, and Works accordingly became Part of the Undertaking and Works of the Lancaster and Carlisle Company; that the Caledonian Company made the Caledonian Railway, with divers Branch Railways communicating therewith, and they acquired the Railways and Works of divers other Railway Companies, which accordingly became Part of their Undertaking, Railway, and Works; that under the Authority of the Carlisle Deviation Act, 1846, the Caledonian Company made the Line of their Railway so that it terminated South-eastwardly at Crown Street by a Junction there with the Lancaster and Carlisle Railway, and, under the Authority of the Lancaster and Carlisle Act of 1846, the Lancaster and Carlisle Company made the Line of their Railway so that it terminated North-westwardly at Borough Street by a Junction there with the Caledonian Railway; that the Traffic at Carlisle on the Lancaster and Carlisle Railway and the Caledonian Railway being very considerable, and it being requisite that much of the Traffic there should be interchanged between the Two Railways, the Lancaster and Carlisle Company and the Caledonian Company made for their joint Use a Station there between Borough Street to the North-westward and Crown Street to the South-eastward, and from Time to Time made Additions thereto, and that Station is called the Citadel Station; that the South-eastern Extremity between Borough Street and Crown Street of the Caledonian Railway and the North-western Extremity between Crown Street and Borough Street of the Lancaster and Carlisle Railway, and divers Lines of Rails, Sidings, Works, and Conveniences connected with the same respectively, are included within the Limits of the Citadel Station; that the Maryport and Carlisle Railway has a Junction immediately to the South-eastward of Crown Street with the Lancaster and Carlisle Railway, and the Glasgow and South-western Railway has a Junction at or near to Gretna with the Caledonian Railway; and the Carlisle Extension of the North British Railway has a Junction North-westward of and near to Carlisle with the Port Carlisle Railway, and by means thereof with the Caledonian Railway; that the Citadel Station was originally made and has from Time to Time been enlarged, and the Lands on which the same is situate and various adjoining Lands have been from Time to Time acquired, all at the joint and equal Expense of the Two Companies; that for the better Regulation and Management of the Citadel Station, and the several Lines of Railway, Sidings, Works and Conveniences, and Lands of the Two Companies respectively, in and immediately connected with the Citadel Station, and for the Prevention of Accidents and Inconveniences and for other Purposes relating to the Citadel Station, the Two Companies found it necessary to appoint and accordingly resolved on the Appointment of a Joint Committee, composed of Directors of the Two Companies respectively, and from Time to Time passed divers Resolutions for the Guidance of the Joint Committee; that by Agreement with the Two Companies the Maryport and Carlisle Railway Company were admitted by the Two Companies to the User, jointly with them, of the Citadel Station, for the Passenger and Coaching Traffic of the Maryport Company, and the Two Companies agreed to grant and the Maryport Company agreed to take a Lease for 999 Years of a Portion of the Citadel Station, for the Purposes of the Mineral and Goods Traffic of the Maryport Company; that by Agreement with the Two Companies the Glasgow and South-western Railway Company were afterwards admitted by the Two Companies to the User, jointly with them and the Maryport Company, of the Citadel Station, for the Passenger and Coaching Traffic of the South-western Company; and that the Terms and Conditions agreed on for the User by the South-western Company of the Citadel Station are expressed in a Memorandum of Agreement dated the 1st Day of March 1851, between the Two Companies of the First Part and the South-western Company of the Second Part; and the Terms and Conditions eventually agreed on for the User by the Maryport Company of the Citadel Station are expressed in a Memorandum of Agreement dated the 2d Day of April 1851, between the Maryport Company of the First Part, the Lancaster and Carlisle Company of the Second Part, and the Caledonian Company of the Third Part; that by Articles of Agreement dated the 10th Day of May 1857,

between the Lancaster and Carlisle Company of the one Part, and the Caledonian Company of the other Part, the Two Companies entered into an Agreement between themselves, whereby they provided for the Appointment and Regulation of a Joint Committee, consisting of Directors of the Two Companies, and called "the Citadel Station Committee;" and also provided that the Committee should have the entire Management, Regulation, and Control of the Citadel Station and the Works and Conveniences thereof, and all Enlargements of the Citadel Station and all Extensions of the Works and Conveniences thereof, in all respects as if the Committee were a Board of Directors of a Railway Company entitled thereto; and also provided for the Enlargement from Time to Time (when required by the Committee) of the Citadel Station and the Works and Conveniences thereof by the Two Companies at their joint Expense; and also provided that the Authority of the Committee should not extend to the Railways of the Two Companies respectively beyond the Limits of the Lands coloured Red on the Plan annexed to the Agreement, except only that for securing the Safety of the Public using the Railways of the Two Companies respectively the Regulations of the Committee should be in force and observed by the Two Companies respectively with respect to all Parts of their respective Railways shown on the Plan; and also that the several Tolls and yearly and other Sums from Time to Time thereafter payable by the South-western Company and the Maryport Company respectively to the Two Companies, under the recited Agreements, and all Tolls and yearly and other Sums from Time to Time by any future Agreements between the Two Companies and any other Railway Companies and other Parties respectively made payable to the Two Companies for or in any way relating to the User or Enjoyment by such other Railway Companies and other Parties respectively of the Citadel Station or any Part thereof should from Time to Time be paid to the Credit of a Joint Fund for the Purposes of the reciting Agreement, and that all other Tolls and yearly and other Sums from Time to Time payable to the Two Companies respectively for or in any way relating to the User or Enjoyment of the Citadel Station or any Part thereof should from Time to Time be paid to the Credit of the Joint Fund; and also provided for the Application of the Joint Fund for the Payment thereout of Taxes, Rates, and current and other Expenditure with respect to the Citadel Station, and for the Division of the Surplus of the Joint Fund equally between the Two Companies; and also made Provision with respect to Tolls and Charges for the User of and Interchange of Traffic in the Joint Station, and with respect to other Matters relating to the Citadel Station, and the Interests of the Two Companies therein and relating thereto; and it was thereby agreed between the Two Companies that inasmuch as the Duties of the Committee might be better performed and the reciting Agreement might be more easily carried into effect if additional Parliamentary Powers in that Behalf were obtained, the Two Companies respectively would use their best Endeavours to procure all such Enactments as might be expedient; that by Agreement between the Two Companies the North British Railway Company were afterwards admitted to the User jointly with the Two Companies and the Maryport Company and the South-western Company respectively of the Citadel Station for the Passenger and Coaching Traffic of the North British Company; that the Terms and Conditions agreed on for the User by the North British Company of the Citadel Station are expressed in an Agreement made the 8th Day of January 1861, between the Caledonian Company and the Lancaster and Carlisle Company of the First Part, and the North British Company of the Second Part; that by the Admission of the Maryport Company and the South-western Company respectively to the User of the Citadel Station the Traffic thereat has greatly increased, and the Admission of the North British Company to the User of the Station will still further increase the same, and it is expedient that the Two Companies be authorized, at their joint and equal Expense, to enlarge and improve the Citadel Station and the Works and Conveniences thereof, and in connexion with or consequent on the Enlargement of the Citadel Station, and for the Convenience of Passenger and other Traffic to and from and within and through the Citadel Station, and the Safety of the Public, to lay down additional Rails in and near to the Citadel Station, and to stop up, widen, divert, and alter Streets and Bridges near thereto, and to make a new Street there; that the Regulation and Management of the Citadel Station by the Citadel Station Committee, in accordance with the Terms and Conditions in that Behalf agreed on between the Two Companies, has been productive of great Advantage, in securing, to a far greater Extent than could be secured under a divided Management, the Safety and Convenience of the Public, and the Convenience of the several Companies from Time to Time using the Citadel Station, and it is expedient that, subject to the Provisions of this Act, the Citadel Station Committee be continued, and the several recited Agreements be confirmed and carried into effect; also that further Provision be made with respect to the Citadel Station, and the Lands, Railways, and Works of the Two Companies respectively near thereto, and that the North British Company be authorized to contribute towards the Expense of making, altering, enlarging, maintaining, and working the Citadel Station and the Works in connexion therewith; that the Lancaster and Carlisle Company, claiming to be entitled, under the Authority of divers Acts of Parliament relating to them and to divers other Railway Companies, of whose Railways, Works, and Property the Lancaster and Carlisle Company were then in possession, to make, and the North-western Company, claiming under divers Acts of Parliament relating to them, to be entitled to accept, a Lease of the Undertakings, Railways, Works, and Property which were made by or belonged to or were authorized to be made or were worked by the Lancaster and Carlisle Company, by an Indenture of Lease dated the 22d Day of December 1859, and made between the Lancaster and Carlisle Company of the one Part, and the North-western Company of the other Part, the Lancaster and Carlisle Company demised and leased all those the Undertaking, Railways, Property, and Effects of the Lancaster and Carlisle Company, including all Branch and other Railways, Works, and Conveniences from Time to Time made by the Lancaster and Carlisle Company, in pursuance of any Acts relating to them, and also including all Undertakings, Railways, Property, and Effects then vested in the Lancaster and Carlisle Company by force of any Amalgamation, and also including the Undertaking, Railway, Property, and Effects of the Kendal and Windermere Railway Company, demised to the Lancaster and Carlisle Company, and also all Sidings, Stations, Works, and Property, including all Lands, Tenements, and Hereditaments whatsoever, of or to which the Lancaster and Carlisle Company were then seised, possessed, or entitled, and also all the Tolls, Fares, Rates, Charges, Rents, Issues, and Profits which the Lancaster and Carlisle Company might, or but for those Presents might, from Time to Time demand or receive, and also all the Powers, Authorities, Rights, Privileges, Indemnities, and Immunities whatsoever

of the Lancaster and Carlisle Company, their Directors, Officers, Agents, or Servants, and also the Benefit of all Contracts, Agreements, and Arrangements whatsoever of or with the Lancaster and Carlisle Company relating to the Premises or any Part thereof, and also all the Rolling Stock, Plant, and Stores of the Lancaster and Carlisle Company, and also the Trade of the Lancaster and Carlisle Company of a Common Carrier on Railways, and the Goodwill and Benefit thereof, together with full Liberty and Power for the North-western Company from Time to Time to alter, by Removal, Addition, and otherwise, all or any of the Railways, Stations, Buildings, or Works thereby demised, or which might from Time to Time be on the Lands or connected with the Railways thereby demised, and to remove any of the Works or Buildings which might be useless, and convert the Materials thereof to their own Use, and generally to make any Alterations of or Additions to the Railways and Premises which should from Time to Time be considered expedient by the North-western Company, and all the Estate, Right, Title, Interest, and Property whatsoever of the Lancaster and Carlisle Company therein and thereto, unto the North-western Company, from the 1st Day of August 1859, for the Term of 900 Years, at the several yearly Sums by way of Rent, and subject to the Covenants, Conditions, and Provisions in and by the reciting Indenture respectively reserved and contained, and to be respectively paid, performed, and observed by the North-western Company; and that the North-western Company now have the Possession of the several Undertakings, Railways, Works, and Property respectively described in the Lease as Lessees thereof under the Lease, and are maintaining, managing, completing, working, and using the same accordingly; and that it is expedient that during the Continuance of the Lease the Powers and Duties of the Lancaster and Carlisle Company with respect to the Citadel Station and the Matters connected therewith be exercised and performed by the North-western Company; and also that the Caledonian Company be authorized to raise further Monies for the Purposes of this Act.

8. Provided, That for the Purposes of this Act, during the Continuance of the Lease, the Citadel Station Agreement shall be read and have effect as if the North-western Company were Party thereto, and named and referred to therein, instead of the Lancaster and Carlisle Company.

10. During the Continuance of the Lease the Qualification of a Member of the Citadel Station Committee, from Time to Time appointed by the North-western Company, shall be his being a Director of the North-western Company, or a Director of the Lancaster and Carlisle Company; and the Qualification of a Member of the Committee appointed by the Caledonian Company shall be his being a Director of that Company.

Cap. clxxxviii.

"The Mersey Docks (Corporation Purchase) Act, 1861."

Preamble recites that by "The Mersey Docks and Harbour Act, 1857," being an Act for consolidating the Docks at Liverpool and Birkenhead into One Estate, and for vesting the Control and Management of them in One Public Trust, and for other Purposes, the Mersey Docks and Harbour Board were incorporated for the Purposes therein mentioned; and that "The Mersey Docks and Harbour (Works) Act, 1858," "The Mersey Dock Acts Consolidation Act, 1858," "The Mersey Docks (Money) Act, 1859," and "The Mersey Docks (Ferry Accommodation) Act, 1860," have also been passed in relation to the Mersey Docks and Harbour Board; and that by "The Mersey Docks and Harbour (Works) Act, 1858," the Board were authorized to purchase, by Agreement, from the Corporation of Liverpool, the Reversion then vested in them of certain Lands originally demised to the Birkenhead Dock Company, and of so much and such Parts of certain other Lands agreed to be demised to William Adamson and Alexander Adamson, as comprised certain Land, with Buildings thereon, at Birkenhead, known

as the Dockyard, and of Lands (if any) on the South Side of the Great Float, and adjoining or near thereto, of Leasehold Tenure, which then were or might thereafter become vested in the Board, and of which the Reversion then was or might thereafter become vested in the Corporation, upon such Terms and Conditions as might be mutually agreed upon between the Board and the Corporation; that the Board and the Corporation have, by an Indenture dated the 27th Day of April 1861, agreed upon the Terms upon which such Purchase shall be effected, but the same cannot be carried into effect without the Authority of Parliament; also that it is expedient that the Period for completing some of the Works authorized to be constructed at Birkenhead by "The Mersey Docks and Harbour (Works) Act, 1858," should be altered, and also that certain additional Powers should be vested in the Board for the Purpose of improving the working of the Docks, and keeping the Quays from being encumbered with Goods, and for enabling Certificates to be issued for Shipowners, Merchants, Underwriters, and others, with respect to the Stowage of Goods, and the Nature and Extent of the Damage in certain Cases incurred by Vessels or their Cargoes, and that the said several Acts should be amended and altered.

3. The Agreement between the Corporation and the Board for the Purchase of such Reversion, set forth in the Schedule to this Act annexed, except so far as any of the Provisions therein contained may be inconsistent with the Provisions of this Act, shall be and the same is hereby confirmed.

4. All the Estate and Interest of the Corporation in the Lands described in the Agreement, and in the Map or Plan delineated thereon or attached thereto, and also comprised in the Plan deposited with the Clerk of the Peace of the County of Chester, and in the Book of Reference to both in the Agreement mentioned, shall, immediately on the Delivery to the Corporation of the Bond or Bonds of the Board, herein-after mentioned, absolutely vest in the Board as Part of the Mersey Dock Estate, free from all Charges, Liens, and Incumbrances whatsoever of the Corporation, and of all Persons claiming by, from, through, under, or in trust for them.

5. The Board shall on or before the 1st Day of January 1862 deliver to the Corporation, or to such Person as they shall appoint to receive the same, a Bond or Bonds under the Seal of the Board for the Sum of 200,000*l.* in the whole, to be payable on the 31st Day of October which will be in the Year of our Lord 1923, with Interest thereon in the meantime at the Rate of 3*l.* 5*s.* per Centum per Annum, to be paid on the Days and in the Manner specified in the said Indenture; and of the due Delivery of such Bond or Bonds a Declaration or Certificate in Writing under the Hand of the Town Clerk of the Borough of Liverpool shall be sufficient Evidence.

6. The Interest from Time to Time accruing on the said Bond or Bonds shall be paid to the Treasurer of the Borough for the Time being, to be by him placed to the Credit of the Borough Fund, and the Principal Sum payable by virtue of such Bond or Bonds shall also be paid to such Treasurer as Part of the Capital and Estate of the Corporation; and the Receipts of such Treasurer, or of the Person or Persons for the Time being entitled to the Principal Money and Interest secured by such Bond or Bonds, for such Interest and Principal respectively, shall be a full Discharge to the Board.

7. The Lands, and all Estates and Interest therein, by this Act vested in the Board, shall, for the Purpose of authorizing the Board to borrow and take up the said Sum of 200,000*l.* at Interest, be deemed and taken to be Part of the Birkenhead Docks and Works referred to in the 57th Section of "The Mersey Docks and Harbour Act, 1857," for the Completion whereof the Board were authorized to borrow and take up Money at Interest; and any Rate or Rates or any Dues now forming Part of their general Receipts shall be the Security on which such Money may be borrowed.

8. The Period for Completion of the whole of the Works sixthly mentioned in Section Six of "The Mersey Docks and Harbour (Works) Act, 1858," shall be extended to the 12th Day of July 1864; and such Act shall for all Purposes whatever be construed as if such latter Date had been expressly mentioned therein as the Period for the Completion of the Works sixthly therein described.

9. The Board shall complete the whole of the Works thirdly mentioned in Section Six of "The Mersey Docks and Harbour (Works) Act, 1858," on or before the 1st Day of August 1863, instead of on or before the 1st Day of October 1863, the Period prescribed for that Purpose by such Act, and the Board shall proceed with all practicable Diligence and Despatch in the Execution of the whole of the Works first mentioned in the said Section, together with such Portion of the Works on the South Reserve adjoining the same, and the Formation of the Land in connexion therewith, as is not dependent on the Completion of the Works secondly mentioned in such Section, so as to afford Accommodation for the Railway Traffic of the London and North-western and Great Western Railway Companies and of either of them, and shall complete the Works firstly mentioned in such Section, together with the said Portion of the Works on the South Reserve, and the Formation of such Land as aforesaid, on or before the 31st Day of March 1862, and the Board shall also proceed with all practicable Diligence and Despatch in the Execution of the Works secondly mentioned in the said Section Six of such Act, but shall not be required to complete the same till the 31st Day of March 1864, and such Act shall be read and construed accordingly: Provided always, that nothing in this present Section contained shall have the Effect of extending the Period limited by such Act for the compulsory Purchase of Lands (if any) necessary for the Purposes of any of such Works; provided also, that if the Engineer for the Time being of the Board shall at any Time before the 31st Day of March 1862 certify in Writing to the Board that he has found it impracticable to complete the Low Water Basin comprised amongst the Works first mentioned in the said Sixth Section by the said 31st Day of March, by reason of the Nature of the Foundations on which the South Wall of the said Basin is to be constructed, then the said Board shall be released from the Obligation by this Act imposed upon them to complete the said Low Water Basin on or before the said 31st Day of March, but nevertheless shall proceed with all practicable Despatch in the Execution of the same, and so that it shall be completed at the earliest possible Period after the said 31st Day of March.

10. Under the Power now vested in the Board to appoint, remove, and pay Officers and Servants, they shall be deemed to have Power to appoint and from Time to Time to remove such and so many Surveyors of Cargoes and Goods as they may think fit; and it shall also be lawful for the Board from Time to Time to license such and so many Persons as they may deem expedient to be employed in the Shipment, Stowage, and Unshipment of Cargoes (commonly called Stevedores and Lumpers), to be termed Master Stevedores and Master Lumpers: Provided always, that it shall not be in any way obligatory on the Board to appoint any Person to act as a Master Porter or Surveyor of Cargoes and Goods, or to license any Person to act as a Master Stevedore or Master Lumper, of whose Competency or Fitness for the Office he may be desirous of filling the Board may not be satisfied.

11. The Sections numbered 38 and 39 of "The Mersey Dock Acts Consolidation Act, 1858," having reference to

Bonds given by Master Porters, shall be and the same are hereby repealed.

Bonds entered into by Master Porter to be increased from 200*l.* to 500*l.*, § 12.

Persons licensed as Master Stevedores and Master Lumpers to give Bonds with Sureties in 200*l.*, § 13.

If such Persons be also appointed Master Porters Bonds to be increased to 500*l.*, § 14.

15. The bringing of any Action upon any such Bond by any such Owner, or the Pendency of such Action, or the Recovery of any Judgment in any such Action, shall not prevent such Owner or any other Owner from bringing any other Action upon such Bond for any Loss or Injury which may be sustained by him, so that no more than the Sum of 200*l.* in the whole or the Sum of 500*l.* in the whole, according to the Amount of the Penalty named in such Bond, shall be recovered from any such Master Stevedore or Master Lumper, or his Sureties, upon any One and the same Bond: Provided always, that the full Amount of the Penalty named in the Bond of any Master Porter, Master Stevedore, or Master Lumper shall always be deemed to be and remain wholly due, notwithstanding any prior Recovery in any Action thereon, unless within 14 Days next after any Sum shall have been so recovered Notice in Writing of such Recovery, and stating the Amount thereof, shall be given to the Solicitor of the Board by any One or more of the Obligors, in which Case the Amount so recovered, and stated in such Notice or in any Two or more of such Notices, shall be deemed and taken to be in Discharge or in Part Discharge, as the Case may be, of the Penalty of such Bond.

16. It shall be lawful for the Board, at any Time when they may deem it expedient so to do, to require any Master Porter, Master Stevedore, or Master Lumper to give a new Bond, with Two sufficient Sureties, to be approved of by the Board; and whenever a Sum equal in the whole to Three Fourths of the Amount of the Penalty of his Bond shall have been recovered in Actions brought on such Bond, the Master Porter, Master Stevedore, or Master Lumper against whom or against whose Sureties, or any of them, such Actions shall have been brought, and also every Master Porter, Master Stevedore, or Master Lumper who shall become bankrupt or insolvent, or in any Manner compound with his Creditors, before he shall be again capable of acting as a Master Porter, Master Stevedore, or as a Master Lumper, as the Case may be, shall enter into a new Bond to the Board in the same Manner as on his original Appointment.

17. If any Person shall act either as a Master Stevedore or a Master Lumper, in shipping, stowing, unstowing or unshipping, or in employing or directing any Porter or Labourer to ship, stow, unstow, or unship any Goods without having been duly appointed by the Board, or without having given to the Board such Bond, with Two sufficient Sureties, as hereinbefore directed, or, as the Case may be, without having given a new Bond to the Board, as herein-before directed, or after having had his Licence rescinded or suspended by the Board, or if any Person shall act as a Master Porter after having been removed or dismissed from his Office, or while prohibited from acting therein, every Person so offending shall forfeit and pay a Sum not exceeding 50*l.* for every such Offence.

18. Provided always, That nothing herein contained shall prevent the Owner or Master of any Vessel from employing her Crew in shipping, stowing, unstowing, unshipping, or discharging all or any Portion of the Cargo thereof, or shall render such Owner or Master, or any of such Crew, liable to any Penalty for so doing.

19. The Board may at any Time rescind or suspend the Licence of any Master Stevedore or Master Lumper, either totally or for any Period that they may think proper, and for any Cause which in their Judgment shall render such Proceeding necessary or expedient: Provided always, that in any Case in which any Licence to any Master Porter, Master Stevedore, or Master Lumper shall be rescinded or suspended, the Party whose Licence shall have been so rescinded or suspended shall be at liberty to appeal thereon to the Board of Trade, and they shall entertain such Appeal, and decide thereon; and the Board shall forthwith, if and when the said Board of Trade shall so decide, restore such Licence.

20. Every Surveyor of Cargoes and Goods appointed by the Board shall, with respect to any Vessel which may be unloaded or discharged within the Dock or District to which he may be appointed by the Board, when required by or on behalf of any One or more of the Owners or Consignees of any such Vessel or their Cargo, or their authorized Representatives, carefully examine the Stowage of the Cargo of such Vessel, and fully investigate the Nature and Extent of the Damage (if any) which such Cargo or any Part thereof may have sustained, and shall also, when required by any One or more of such Owners or Consignees of any such Vessel or her Cargo, or their authorized Representatives, report upon and certify to him or them the State of such Cargo in respect of its Stowage, and of the Damage (if any) which such Cargo or any Part thereof may have sustained; and for every such Report or Certificate the Board shall be entitled to receive from the Person to whom any such Report or Certificate may be given a reasonable Fee, the Amount of which shall be determined by the Board.

21. All such Surveyors of Cargoes and Goods shall have full Power at all Times during the Discharge of the Cargo of any Vessel within their respective Docks or Districts to go on board and to enter and inspect any Part of such Vessel and her Cargo; and if any Person shall in any way obstruct or prevent, or aid or abet any other Person in obstructing or preventing, any such Surveyor from entering or inspecting any such Vessel or her Cargo or any Part of such Vessel, every Person so offending shall for every such Offence be liable to a Penalty of not exceeding 10*l.*: Provided always, that if on any such Inspection any such Surveyor shall be of opinion that any Part of the Cargo shall have sustained Damage by reason of improper Stowage, he shall, before leaving the Vessel, give Notice in Writing that there is in his Judgment improper Stowage in respect of the Goods mentioned in such Notice, to the Master, Mate, or other Officer then in charge of such Vessel.

22. Provided also, That such Surveyor shall have no Power to delay the loading or Discharge of any Portion of any Cargo of a Vessel, except and for such Time only as shall be necessary for the Purpose of investigating the Nature and Extent of the Damage (if any) or alleged Damage which such Cargo or any Part thereof may have sustained.

23. Every Master Porter shall be responsible, not only to the Board but also to each Consignee, for any Goods committed to his Care, and also to the Owner of the Vessel by which such Goods may have been imported, for the correct weighing, taring, scribing, marking, and measuring, as the Case may be, of such Goods, and he shall in every Case in which such Goods shall have been required to be weighed or measured, and as soon as conveniently may be, furnish, if required, to each such Consignee and to such Owner as aforesaid, a correct Account in detail of the Weight, Measurement, and Marks of such Goods, and he shall also, if required, at the same Time furnish to the Board an Abstract of such Account, showing the total Number of Packages, and the gross and net Weight or Measurement, as the Case may be, of each Mark or Consignment of such Goods, and he shall also at the

same Time furnish to the Collector or other proper Officer of the Customs at Liverpool a Duplicate of such Abstract.

24. Every Master Porter, previously to receiving on the Quay any Portion of the Cargo of any Vessel in respect of which he may have been appointed the Master Porter, shall appoint some fit, competent, and intelligent Person to act as a Landing Clerk, whose Duty shall be to be present at all Times when any Portion of such Cargo shall be in course of being discharged; and every such Landing Clerk shall record, in Books to be approved of by the Board, the Marks, Numbers, Weights, and Measurements of all Goods discharged from such Vessel, and the Day when the same shall be respectively discharged, and the Day and Hour when the same shall respectively be delivered; and in case the Board consider that the Master Porters are entitled to any additional Remuneration for the Duties imposed on them by this and the preceding Section, they shall regulate the Charges of the Master Porters accordingly.

25. Provided always, notwithstanding anything in this or the recited Acts contained, That the Great Western Railway Company, the London and North-western Railway Company, and the Birkenhead Railway Company respectively, may employ such Persons as they may from Time to Time respectively think fit, without Licence from the Board, in and about the Shipment, Stowage, and Unshipment of Cargoes into or from any Vessel which may be loading or unloading at the Quays of the Birkenhead Railway Station on the Great Float; and no Traffic Manager appointed by the Board shall be entitled to interfere with or exercise any Control over any Traffic lying at or upon the said Quays of the Birkenhead Railway Station on the Great Float, but the said Railway Companies respectively shall furnish to the Board an Account, similar to the Account to be furnished to the Board by the Master Porter or his Landing Clerk, under this Act, of all Goods shipped or unshipped or landed Foreign or Coastwise at the Quays of the said Birkenhead Railway Station.

26. The Sections numbered respectively 88 and 89 and 204 and 205 of "The Mersey Dock Acts Consolidation Act, 1858," having reference to the undue Occupation with Goods of the Dock Quays, shall be and the same are hereby repealed, but without Prejudice to the Recovery of any Penalty which may previously have been incurred.

27. Any Goods (except Timber or other Wood Goods which are herein-after otherwise provided for) landed or deposited on any Quay or Pier may remain on such Quay or Pier without Payment of any Quay Rent until Four o'Clock in the Afternoon on the Second Day next after the Day on which the same may have been landed or deposited; but if any of such Goods shall remain on such Quay or Pier beyond Four o'Clock in the Afternoon on such Second Day, a Rent (to be called a Quay Rent, and applied as Part of the general Receipts of the Board,) of 5*s.* for each and every Hour during the 24 Hours then next ensuing that such Goods or any Portion thereof may remain on such Quay or Pier shall be payable to the Board in respect of such Goods; and if any such Goods or any Portion thereof shall remain on any Quay or Pier beyond Four o'Clock in the Afternoon on the Third Day after the Day on which such Goods or any of them may have been landed or deposited, then and in such Case the Quay Rent payable to the Board shall be increased to 10*s.* for each and every Hour after the said Period of 24 Hours that such Goods or any Portion thereof shall remain upon such Quay or Pier; and such Quay Rent shall in all Cases be paid to the Board by the Owner of the Goods in respect of which the same may have become payable; and if any Person shall suffer any such Goods to remain on such Quay or Pier so as to cause, in the Judgment of any Harbour-master, Dock-master, or Traffic Manager, an Obstruction to Business for a longer Period than shall be necessary for the removing thereof, notwithstanding any Quay Rent may have become payable or would otherwise become payable in respect of such Goods or any of them, he shall be liable to a Penalty of not exceeding 5*l.*, and without Prejudice to the Right of the Board to receive and compel Payment of all Quay Rent which may have become payable previously to the actual Removal of such Goods or any of them.

28. All Timber deposited on any Quay, or on any Land appropriated by the Board as a Timber Depôt for the Purpose of being measured and passed by the proper Officers of Her Majesty's Revenue, shall be wholly removed therefrom within the Space of 72 Hours, or within such shorter Period, not being less than 48 Hours from the Day on which the same shall have been so measured or passed as aforesaid, as may be appointed by any Byelaw of the Board; and if such Timber or any Part thereof shall remain on such Quay or in any such Depôt as aforesaid beyond the Period aforesaid, a Quay Rent of 5*s.* for each and every Hour during the 24 Hours then next ensuing that such Timber or any Part thereof may remain on such Quay or in such Depôt shall be payable to the Board in respect of such Timber; and if any such Timber or any Part thereof shall remain on such Quay or in such Depôt beyond 24 Hours next immediately succeeding such Period of 72 Hours, or such shorter Period before specified, then and in such Case the Quay Rent payable to the Board shall be increased to 10*s.* for each and every Hour after the said Period of 24 Hours that such Timber or any Part thereof shall remain on such Quay or in such Depôt, and such Quay Rent shall in all Cases be paid to the Board by the Owner of the Timber in respect of which the same may have become payable: Provided always, that the Board shall not in any Case be entitled to recover any larger Amount of Quay Rent than the Value of the Timber in respect of which the same may have been incurred.

29. The 72 Hours or other Time during which Timber may so remain on such Quays or in any such Depôt as aforesaid shall be calculated from the Hour of Sunset on the Day on which such Timber shall have been measured and passed by the Officers of Her Majesty's Revenue.

30. Any Quay Rent which may become payable to the Board may be recovered by them in the same Manner as any other Rents or Rates or as any Penalties are by "The Mersey Dock Acts Consolidation Act, 1858," authorized to be recovered: Provided always, that, subject and according to such General Rules and Regulations as shall have been previously approved and sanctioned by the Board of Trade, the whole or any Part of any Quay Rent which may have become payable may be remitted or returned by the Board.

31. The Board may, whenever they shall think fit so to do, require that the Quay Rent which may have accrued in respect of any Goods shall be paid by the Owner thereof to the Treasurer of the Board previously to the Removal or Commencement of the Removal of all or any of such Goods, and in case any further Quay Rent shall have accrued previously to the Removal of the whole of such Goods, may, if they shall think fit, require that such additional Quay Rent shall be paid by the Owner of such Goods to such Treasurer previously to the Removal of any further Portion of such Goods.

32. The Board may, subject and according to such General Rules and Regulations, so approved and sanctioned by the Board of Trade as aforesaid, in any Case where the same can in their Opinion be allowed without Prejudice to the working of any Dock or Docks, permit Goods to remain on any Quay or Pier for a Period to be fixed by them, upon the Payment of such Rent, if any, or upon such other Terms and Conditions as the Board may prescribe, and without incurring Quay Rent during such Period; and if the whole of such Goods be not removed previously to the Expiration of the Period for which

such Permission may have been given, the Owner thereof shall thereupon become liable to the Payment of the same Amount of Quay Rent as he would have been liable to pay if such Permission had not been granted.

33. The Board shall and they are hereby required, out of their General Revenues, to pay to the Treasurer of the Borough the annual Sum of 1,000*l.*, by Two equal half-yearly Payments on the Fifth Day of April and the Fifth Day of October in every Year, the First Payment of the whole or a proportionate Part, as the Case may be, to be made on the First of those Days which shall happen next after the Commencement of this Act; and the said Treasurer shall apply the Monies so from Time to Time received by him as follows, that is to say, the Sum of 700*l.* towards the Maintenance of the Police Superannuation Fund of the Borough, and the Residue towards the other Expenses now borne by the Corporation in connexion with the Docks.

34. In addition to any other Duties (if any) which may be imposed upon all or any of the Persons appointed by the Board to act as Traffic Managers, such Traffic Managers shall exercise a general Superintendence over the whole Traffic on the Quays and Piers within their respective Docks or Districts, and make a periodical Report thereon to the Board, and superintend the various Master Porters, Master Stevedores, and Master Lumpers acting or employed therein, and shall report to the Board from Time to Time any Neglect of Duty on the Part of any such Persons, and also shall keep a correct Account of all Fines and Penalties which shall have been incurred and all Quay Rents which shall have become payable to the Board; and for better enabling such Traffic Managers to perform their several Duties, they shall at all Times have free Access to all Books, Writings, and Documents kept or made, as well by such Persons as by the Landing Clerks, Porters, Servants, and other Persons employed by them or any of them, relating to their several Duties of Master Porters, Master Stevedores, Master Lumpers, Landing Clerks, Porters, or other Persons, with full Power to make Copies thereof or Extracts therefrom; and if any Master Porter, Master Stevedore, Master Lumper, Landing Clerk, or other Person shall in any Manner prevent or endeavour to prevent any such Traffic Managers from having such Access or from making any such Copy or Extract as aforesaid, he shall for every such Offence be liable to a Penalty of not exceeding 50*l.*

35. If the Owner of any Goods landed or deposited on any Quay or Pier shall not wholly remove the same from off such Quay or Pier before the Hour of Four o'Clock in the Afternoon on the Second Day next after the Day on which such Goods or any of them may have been landed or deposited, or if any Person shall suffer any such Goods to remain on any such Quay or Pier so as to cause an Obstruction for a longer Period than shall be necessary for the removing thereof, although such Period may not have expired, then and in any of such Cases the Board or any of their Officers may remove such Goods to some Warehouse of the Board or other Place of Safety, but such Removal shall not in any Manner excuse such Owner or other Person from the Payment of any Quay Rent which may have accrued, or from any Penalty which may have been incurred; and the said Goods may be detained at such Warehouse or other Place until the Charges of taking and removing, detaining, warehousing, and storing the same, together with the full Amount of the Quay Rent (if any) which may have accrued in respect of such Goods or any of them, and the lawful Charges of the Master Porter in respect of such Goods, shall have been paid; and in case such Charges and Quay Rent (if any) shall not be paid within Ten Days after the Removal of such Goods, the same may be sold by Public Auction, and out of the Proceeds of such Sale all Charges (including Quay and other Rent) incidental to such Removal, Sale, and Detention, and such other Charges as aforesaid, and also the Freight thereof, in case Notice to detain the same for the Payment of such Freight shall have been served upon the Board, may be retained by them; and the Overplus (if any) shall be rendered to the Owner of such Goods; and in case any Person shall wilfully obstruct or hinder any Officer of the Board in the Removal of the said Goods or any of them, he shall for every such Offence be liable to a Penalty of not exceeding 10*l.*

36. 40. Whereas various Leases were granted by the Birkenhead Dock Company to several Persons of Portions of the Land and Wharf Walls adjoining the Great Float at Birkenhead for Terms of 14 Years, at large annual Rents, which Terms have not yet expired: And whereas during the Progress of the Works commenced by the Corporation for the Completion of the Birkenhead Docks the Exclusion of the Water from the Great Float was rendered necessary, whereby Water Access from the River Mersey was cut off from the said Lands, in consequence whereof, and the Injury alleged by them to be thereby sustained, some of such Persons claim to be entitled to have new Leases granted to them for various Terms not exceeding the Term of 14 Years from the Day on which Water should be re-admitted into the Great Float, under the same Rent, and with and subject to the same or the like Covenants, Conditions, Declarations, and Provisions as were reserved, contained, and declared in and by the aforesaid Leases respectively, which Claims were admitted by the Corporation, who agreed to grant such Leases accordingly, such new Leases being accepted in full Compensation for the Injury so alleged to have been sustained as aforesaid: And whereas "The Mersey Docks and Harbour Act, 1857," Section 26, vested the Birkenhead Docks in the Board, on and after the 1st Day of January 1858, subject to all Charges and Liabilities affecting the same: And whereas on the 1st Day of March 1861 the Works in the Great Float were completed, and Water Access was restored thereto from the River Mersey: And whereas in consequence of Provisions contained in "The

Mersey Dock Acts Consolidation Act, 1858," Doubts are entertained whether the Board is able fully to perform the Agreement so entered into by the Corporation for the granting of new Leases; for the Removal of which Doubts be it enacted, That it shall be lawful for the Board, in each Case in which they shall be satisfied that the Corporation had so agreed with the Person entitled to the Benefit of any such Lease as aforesaid, to make and execute to the Person now entitled to any such Lease so granted by the Birkenhead Dock Company as aforesaid a new Lease of the Land and Premises, Rights and Privileges expressed to be demised by such former Lease, for such Term as the Board may think fit to grant, not exceeding the Term agreed to be granted by the Corporation, and not exceeding in any Case the Term of 14 Years, to be computed from the said 1st Day of March 1861, under the same or the like Rent, payable at such or the like Times, and subject to the same or the like Covenants, Conditions, Declarations, and Provisions as were reserved, contained, and declared in and by the Lease granted by the Birkenhead Dock Company, with such Alterations only with regard to the Time of Payment of the Rent or Rents reserved and the Description of the demised Premises as Change of Time and Circumstances may render necessary, any Provisions in "The Mersey Dock Acts Consolidation Act, 1858," to the contrary notwithstanding; and every such new Lease shall be in full Satisfaction for all Compensation to which the Lessees might have otherwise been entitled on account of the Water having been excluded from the Great Float, or by reason of any of the Works executed by the Corporation or by the Board.

41. Provided always, That, notwithstanding the vesting in the Board by this Act of the Lands described in the Agreement set forth in the Schedule to this Act annexed, all Leases and Agreements for Leases for 14 Years, or for any less Term, of any Portions of such Lands at any Time heretofore granted, made, or entered into either by the Birkenhead Dock Company, or by the Corporation, or by the Board, and still subsisting, shall be and continue as valid and binding as if this Act had not been passed.

42. And whereas by Articles of Agreement entered into on the 20th Day of April 1861, between the Mersey Docks and Harbour Board of the one Part and Her Majesty's Principal Secretary of State for the War Department of the other Part, the Board have entered into an Engagement with the said Secretary of State (provided the Sanction of Parliament can be obtained) to demise and assure at a nominal Rent, unto him and his Successors, for the Term of 1,000 Years from the Date of such Agreement, in trust for Her Majesty, Her Heirs and Successors, Two several Pieces of Land, Part of the Mersey Dock Estate on the Lancashire Side of the River Mersey, and formerly Part of the Strand of the said River, One of such Parcels of Land (intended as and for the Site of a Battery) being a triangular Piece of Land, West of the Bootle Land Marks, and situate at the extreme North-west Corner of the Mersey Dock Estate, and containing by Admeasurement 4,500 Square Yards or thereabouts, as the same is more particularly delineated in the Plan annexed to the said Articles of Agreement, and the other of such Parcels of Land (also intended as and for the Site of a Battery) being a Piece of Land situate on the Salisbury Dock Pier, and containing in the whole by Admeasurement 800 Square Yards or thereabouts, as the same is also particularly delineated in the said Plan: And whereas it is expedient that the said Agreement should be confirmed, and that the Board should be enabled to complete and fully carry out the same: Be it therefore enacted, That the said recited Articles of Agreement shall be and the same are hereby confirmed, and that it shall be lawful for the Board to grant unto Her Majesty's Principal Secretary of State for the War Department, and his Successors, at a nominal Rent, for the Term of 1,000 Years, to be computed from the Date thereof, in trust for Her Majesty, Her Heirs and Successors, the said Two several Parcels of Land, and generally to carry out all the several Matters, Articles, and Agreements comprised in the said recited Articles of Agreement, as fully and effectually, to all Intents and Purposes, and in the same Manner in all respects, as if such Agreement had been expressly authorized by and had been entered into by the Board in pursuance of the Provisions for that Purpose contained in this Act.

43. Whereas by Section 231 of "The Mersey Dock Acts Consolidation Act, 1858," Vessels remaining in the Docks more than Three Months are liable to an additional Rate of 2*d.* per Ton per Month: And whereas owing to the increasing Trade of the Port of Liverpool and the crowded State of the Docks it is expedient that such additional Rate should be increased: Be it enacted, That from and after the Commencement of this present Provision all Vessels which may then or which shall at any Time thereafter have remained in the Docks for the Space of Three Months, and which would, if this Act had not been passed, thereby have become liable to the said additional Rate of 2*d.* per Ton per Month, shall, in lieu of such additional Rate of 2*d.* per Ton per Month, be liable to the additional Rate of 2*d.* per Ton per Week during the Time which such Vessels shall remain in any of the Docks beyond the said Period of Three Months, but so that such increased Rate shall not be calculated in respect of any Week or Portion of a Week which shall have elapsed prior to the passing of this Act: Provided always, that nothing in this present Provision contained shall in anywise exonerate any Vessel from the Payment of any Sum of Money which she may have actually become liable to pay in respect of the aforesaid Rate of 2*d.* per Ton per Month previously to the passing of this Act; provided further, that the Board may from Time to Time, at their Discretion, require a less Amount than the said additional Rate of 2*d.* per Ton per Week to be paid by Vessels lying in any Dock or Docks which the Board may for the Time being expressly authorize to be used by Vessels lying up or unemployed.

44. The Time at which a Court shall be held for the Revision of the List of Dock Electors shall be some Time in the Months of September or October in every Year, instead of between the 1st Day of August and the 1st Day of September, as required by the 19th Section of "The Mersey Docks and Harbour Act, 1857."

34. The Master of every Vessel shall on Demand give to the Pilot employed in piloting the same a true Account of the Draught of Water of such Vessel, and in case such Pilot shall suspect the Truth of such Account he may cause such Vessel to be admeasured in order to find the true Draught of Water which such Vessel may then draw; and if it shall appear that the Master had artfully and fraudulently given a false Account of the Draught of Water, such Master shall not only pay by way of Damages a Sum equal to double the Amount of Pilotage Rates payable in respect of such Vessel, but shall also pay all the Expenses incurred by the Pilot in such Admeasurement, together with a Fine, at the Discretion of the Board, of not exceeding 10*l.*

35. It shall be lawful for the Board to levy, demand, and receive from the Master or Owner or Consignee of every Vessel coming into or going out of the Port for which such Board may have been appointed, and who shall have required and obtained the Assistance of a Pilot, such reasonable Rates for Pilotage as may from Time to Time be provided by the Byelaws to be made by such Board for such Purpose; and such Board shall at all Times maintain an efficient Staff of Pilots.

36. In case any Vessel shall be met with in Distress by any Pilot, and shall stand in need of any extraordinary Assistance from a Pilot Boat or the Crew thereof, the Compensation to be made by the Master of such Vessel shall be settled by the Board according to the Circumstances of the Case, and every Agreement, if any, for such extraordinary Assistance made by the Pilot shall be absolutely void.

37. Whereas it is expedient that Pilots should be prevented from neglecting or performing improperly or negligently their respective Duties by the Expectation of obtaining Rewards for Salvage of Property: Therefore no Claim whatever shall, at any Time or on any Account be made or be attempted to be made, either directly or indirectly, and either by any legal Process or otherwise, by any Pilot upon any Master or Owner of any Vessel, or any other Person, for or in respect of any Salvage Services rendered to such Vessel, or to any of the Appurtenances or to any Portion of the Cargo thereof by such Pilot, or by any Pilot Boat, or any of the Crew thereof in which such Pilot shall serve or have any Interest, until the Consent of the Board by whom such Pilot may have been licensed, to be evidenced by some Writing under the Hand of the Secretary of such Board, shall, upon the Production of such Statements and Evidence as they may require, have been obtained for such Pilot to make a Claim for such Salvage Services.

38. The Board may appoint, and may from Time to Time remove, a Person to collect the Pilotage Rates, and (subject to any Alteration to be made by the Board) the Board shall once in every Month pay over to each Pilot the Amount received by the Collector during the preceding Month on behalf of such Pilot, after deducting therefrom a Poundage not exceeding 1*s.* in the Pound, which shall be paid over to and shall form a Pilot Fund for the Port for which such Board may have been appointed.

39. The Pilot Fund of each Port shall be chargeable in the first instance with such Expenses as the Board appointed for such Port may duly incur in performance of their Duties in respect of Pilots and Pilotage, and after Payment thereof shall, subject to any Alteration which may be made by such Board, be administered by them for the Benefit of such of the Pilots licensed by such Board as may become incapacitated for the Performance of their Duty by reason of Age, Infirmity, or Accident, and for the Benefit of the Widows and Children of Pilots licensed by such Board.

"The London, Chatham, and Dover Railway (various Powers) Act, 1861."

Preamble recites that by "The East Kent Railway Act, 1853," a Company was incorporated by the Name of "The East Kent Railway Company," (but now by virtue of the "London, Chatham, and Dover Railway Act, 1859," styled "The London, Chatham, and Dover Railway Company,") for making a Railway from Strood to Canterbury, with Branches to Faversham Quays and Chilham; that by "The East Kent Railway (Extension to Dover) Act, 1855," the Company were authorized to extend their Line of Railway from Canterbury to Dover, and to make certain Branch Railways and Tramways, and to raise the additional Capital of 500,000*l.* by the Issue of new Shares, with a Preference or Priority in Payment of Dividend not exceeding the Rate of 5*l.* per Centum per Annum on the Amount for the Time being paid up thereon; that by "The East Kent Railway (Western Extension) Act, 1858," the Company were empowered to make a Railway from their Bridge over the River Medway to join the Mid-Kent Railway (Bromley to Saint Mary's Cray), and called "The Western Extension;" and by the Western Extension Act the Company were authorized to create new Shares, with a Power (which they exercised) to attach thereto preferential Interest or Dividend not exceeding the Rate of 6*l.* per Centum per Annum on the Amount for the Time being paid up thereon, to be payable out of the divisible Profits of the Western Extension in preference to all other Payments of Dividend out of those Profits, and also with a Power (which they have not exercised) to attach to those Shares the Right to participate in the Balance of the general Profits of the Company to such Extent as should be authorized by a Meeting of the Company; and that Act directed the Company to keep separate Accounts of all Receipts and Payments from, for, or on account of the Western Extension, and defined the divisible Profits thereof; and by the Western Extension Act the Company were empowered to charge the Sum of 100,000*l.*, which they were thereby authorized to borrow on Mortgage or Bond, either on their whole Undertaking or exclusively on the Western Extension, and they have borrowed that Sum and charged the same exclusively on the Western Extension; and by "The London, Chatham, and Dover Railway (Capital) Act, 1860," the general Capital of the Company (exclusive of Capital for the Purposes of the Western Extension, and subject to any Increase under any other Act of that Session) was declared to be the Sum of 1,580,000*l.*, and the Capital of the Company for the Purposes of the Western Extension was declared to be the Sum of 390,000*l.*, and by that Act the Rank and Priority inter se of the several Classes of preferential Stock and Shares authorized by that Act and the previous Acts relating to the Company (other than Shares authorized for the Purposes of the Western Extension and Debenture Stock) were defined, and the divisible Profits of the Western Extension were directed to be applied in Payment of Interest or Dividend, in the Order therein mentioned, on the Shares and Stock authorized for the Purposes of the Western Extension, the Western Extension Half Shares A. and any Stock substituted for those Half Shares, being the last in that Order and subject thereto, were to fall into the general Profits of the Company; but it was thereby provided that nothing therein contained should prevent or prejudice the future Creation, with the Authority of Parliament, of any additional Capital with any preferential Interest or Dividend payable out of the Profits of the Western Extension next after the Dividend on the Western Extension Half Shares A. and any Stock substituted for those Half Shares; that by the same Act the Company were authorized to borrow 30,000*l.* on Mortgages of the Western Extension, and they have so borrowed that Amount accordingly; and by "The London, Chatham, and Dover Railway (Metropolitan Extensions) Act, 1860," the Company were authorized to make certain new Railways comprised under the Name of "the Metropolitan

Extensions," and to raise Capital for the Purposes thereof by the Creation of new Shares comprised under the Name of "the Metropolitan Extension Shares," and also to raise 100,000*l.* for the other Purposes of that Act by the Creation of other new Shares, and that Act directed that the Profits of the Metropolitan Extensions applicable to Dividends should (subject to Payment of a Dividend on the Metropolitan Extension Shares not exceeding Six per Centum per Annum on the Amount paid up thereon, and to any additional Capital for Purposes in connexion with the Metropolitan Extensions, which Parliament might thereafter sanction) fall into the general Profits of the Company; that by the Metropolitan Extensions Act the Company were authorized to borrow 550,000*l.* on the Security of the Metropolitan Extensions, and 33,000*l.* on the Security of their general Undertaking, except the Western Extension and the Metropolitan Extensions, and by the same Act Powers were conferred upon the Company for the Purpose of carrying on and maintaining convenient and efficient Communications by means of Steam Vessels in connexion with their Railways between Dover and the Continent of Europe; that under "The West London and Crystal Palace Railway (Transfer of Farnborough Extension and Dissolution of Company) Act, 1860," the ultimate Residue of the Profits of the "Extension to Farnborough Railway" is to fall into the general Profits of the Company; and whereas it is expedient that the Margate Railway Company be authorized to make, and the Company to take, a Lease of the Railways by "The Herne Bay and Faversham Railway Act, 1857," and "The Margate Railway Act, 1859," authorized, and for the Use and Working whereof the Company was by those Acts authorized to contract; and also (on Fulfilment of the Conditions herein-after mentioned) of any Undertaking which by any Act of the present Session of Parliament the Margate Railway Company is or may be authorized to execute; and whereas it is expedient that the Company be authorized to purchase, compulsorily or by Agreement, certain Lands in the Parish of Saint Mary Battersea and County of Surrey for Station and other Purposes in connexion with the Metropolitan Extensions; and whereas by the Metropolitan Extensions Act the Company on the one Part and certain Companies therein named, or any One or more of them, on the other Part were empowered to enter into and carry into effect Contracts or Agreements with respect to the Management, Maintenance, Use, and Working of the Railways and Undertaking of the Company, and other Purposes, and any incidental Matters, and it is expedient that those Powers be extended to the London and South-western Railway Company; and whereas by the Victoria Station and Pimlico Railway Act, 1858, the Company and the Victoria Station and Pimlico Railway Company were empowered to enter into and carry into effect Agreements with respect to the Use of the Railway and Stations by that Act authorized, the Conveyance of Traffic on that Railway, and other Purposes, and an Agreement between them, with reference to the Execution of the Purposes of that Act, set forth in the Schedule thereto, was thereby confirmed, and by the Metropolitan Extensions Act that Agreement was extended to the Traffic of the Metropolitan Extensions, and the Company and the last-mentioned Company were empowered to alter the Terms of that Agreement or of any future Agreements, either as regards the Accommodation to be afforded at the said Station or in other Particulars, and either alone or in conjunction with any other Company using the Railway and Station of the said Company, and such Companies were empowered to enter into and carry out any new Contract or Agreement for effecting the Purposes aforesaid; and whereas by means of the Railway authorized by "The West London Extension Railway Act, 1859," and of the Railways called "the Battersea Alteration," authorized by "The London, Brighton, and South Coast Railway Act, 1860," the Traffic of the Great Western Railway Company will have Access to the Victoria Station and Pimlico Railway; and whereas Heads of Agreement, dated the 26th Day of June 1860, have been entered into between the Victoria Station Company, the Great Western Railway Company, and the Company with reference to the Terms for the Use and Working of the Railway and Station of the Station Company; and whereas by the Victoria Station and Pimlico Railway Act, 1861, the Three Companies Arrangement is confirmed, and the aforesaid Agreement set forth in the Schedule to the Victoria Station and Pimlico Railway Act, 1858, is annulled; and whereas subsequently to the making of the Three Companies Arrangement other Heads of Agreement have been made between the Great Western Railway Company and the Company with reference to the Three Companies Arrangement, and the Division and Appropriation between and to the Great Western Railway Company and the Company of some of the Benefits and Liabilities arising under the Three Companies Arrangement, and it is expedient that Effect be given to the Two Companies Arrangement; and whereas it is expedient that Power be given for uniting the Undertaking of the Company called the Western Extension with the general Undertaking of the Company (excluding the Metropolitan Extensions and the Farnborough Extension); and that the Company be authorized to raise further Money for the Purchase of Lands and for providing Steam Vessels, and other the Purposes of their general Undertaking, and to raise further Money for the Purposes of the Western Extension; and whereas by virtue of the following Acts of Parliament relating to the Town of Dover, (to wit,) 18 Geo. 3. c. 76., 50 Geo. 3. c. 26., 11 Geo. 4. c. 117., and 5 & 6 Will. 4. c. 47., the Local Board of Health for the District of Dover are entitled to certain Dues on all Sorts of Coals, Coke, Culm, Cinders, Ashes, or Charcoal imported, brought into, and landed or delivered within the Town and Port of Dover; Cap. ccxl.

"The London, Chatham, and Dover Railway (Works) Act, 1861."

Preamble recites, that by the "East Kent Railway Act, 1853," a Company was incorporated by the Name of the East Kent Railway Company (but now, by virtue of the "London, Chatham, and Dover Railway Act, 1859," styled the London, Chatham, and Dover Railway Company,) for making a Railway from Strood to Canterbury, with Branches to Faversham Quays and Chatham; and that by the "East Kent Railway (Extension to Dover) Act, 1855," the Company were authorized to extend their Line of Railway from Canterbury to Dover, and to make certain Branch Railways and Tramways; that by the "East Kent Railway (Western Extension) Act, 1858," the Company were authorized to make certain Lines of Railway (therein comprised under the Name of "the Western Extension") from the Bridge of the Company over the River Medway to join the Mid Kent Railway (Bromley to Saint Mary's Cray), and by that Act the Company, their Lessees and Assigns, were empowered to use and run over the Lines, Works, Conveniences, and

Accommodations of the Mid Kent Railway (Bromley to Saint Mary's Cray) Company and of the West End of London and Crystal Palace Railway Company, in that Act called the West London and Crystal Palace Railway Company, upon such Terms and Conditions, and subject to such Regulations, and upon Payment of such Tolls or other Consideration, as might have been or might be agreed upon, or in default of Agreement as should be determined by Arbitration, but with a Proviso that nothing therein contained should in any Manner affect or prejudice an Agreement dated the 12th Day of April 1858 between the Company and the Crystal Palace Railway Company; and whereas by the "West London and Crystal Palace Railway (Transfer of Farnborough Extension and Dissolution of Company) Act, 1860," after reciting that the London, Brighton, and South Coast Railway Company had purchased the whole of the Railways and Works of the Crystal Palace Railway Company (excepting only the Railway and Works authorized by "The West London and Crystal Palace Railway (Extension to Farnborough) Act, 1854,") an Agreement for the Sale and Purchase of the then completed Portion of the Farnborough Extension set forth in the First Schedule to that Act was confirmed, and the Company and the Crystal Palace Railway Company were authorized to carry the same into effect, and the Powers of the Crystal Palace Railway Company for the Completion of the remaining Portion (to wit, from Bromley to Farnborough,) of the Farnborough Extension were vested in the Company, and the Period limited for the compulsory Purchase or taking of Lands for the Purposes of that Portion of Railway was extended to the 8th August 1861, and for the Completion thereof to the 8th August 1862, and for the Purposes of that Act the Company were authorized to raise Money, either wholly by Stock (to be distinguished as "Farnborough Extension Stock") or partly by such Stock and partly by borrowing on Mortgage; and whereas by the "London, Chatham, and Dover Railway (Metropolitan Extensions) Act, 1860," the Company were authorized to make certain Railways and Works (in that Act included under the Name of the Metropolitan Extensions) embracing Three Sections, One of which Sections (called "the Beckenham Section") included a Railway No. 1, commencing in the Parish of Beckenham and County of Kent by a Junction with the Farnborough Extension, and terminating at Herne Hill in the Parish of Lambeth, and another of which Sections (called "the West End Section") included a Railway No. 3, commencing at the Termination at Herne Hill of the intended Railway No. 1 by a Junction with that Railway, and terminating in manner in that Act provided in the Parish of Saint Mary Battersea and County of Surrey by a Junction with the Line of Railway belonging to the Brighton Company, and leading to the Line of the Victoria Station and Pimlico Railway Company; and whereas the Metropolitan Extensions Act received the Royal Assent on the 6th Day of August 1860, and in that Act the Periods for compulsory Purchase of Land for the Purposes thereof and for the Completion of the Works were limited respectively to Three Years and Five Years from the passing thereof; and whereas by the Metropolitan Extensions Act the Company were authorized to raise Money by Shares and borrowing for the Purposes of the Metropolitan Extensions; and it is expedient that the Company should be empowered to make and maintain a Railway commencing in the Hamlet of Penge in the Parish of St. Mary Battersea in the County of Surrey by a Junction with the authorized Line of the aforesaid Railway No. 1 included in the Beckenham Section of the Metropolitan Extensions, and terminating in the Parish of Beckenham in the County of Kent near the Bridge carrying the Road leading from Beckenham to Southend over the Farnborough Extension; and also a Railway commencing at the Termination of the Penge Deviation, and terminating in the Parish of Bromley in the County of Kent by a Junction with the Western Extension; and to make and maintain the Junction Railways to connect the Penge Deviation with the Farnborough Extension herein-after described; and that the Company should be empowered to make and maintain a Railway from the authorized Line of the Farnborough Extension in the Parish of Bromley to join the Lines of the Crays Company, and a Junction Railway from the Bromley Deviation, also to join the Lines of the Crays Company; and it is expedient that the Company should be empowered to make and maintain the Railway hereafter distinguished as the Long Hedge Junction, and to abandon and relinquish the Construction of Part of the authorized Line of the said Railway No. 1, included in the Beckenham Section of the Metropolitan Extensions, which will be rendered unnecessary by the Construction of the Penge Deviation; and also to abandon and relinquish the Construction of Part of the authorized Line of the Farnborough Extension, which will be rendered unnecessary by the Construction of the Bromley Deviation; and that the Periods limited by the Transfer Act for the compulsory Purchase and taking of Lands for the Farnborough Extension and for the Completion thereof should as regards the Portion thereof remaining to be completed be extended; and that the Company should be authorized to apply for the Purposes of the Bromley Deviation and Bromley Junction the Funds by the Transfer Act authorized to be raised, and should be authorized to apply for the Purposes of the Long Hedge Junction Part of the Money which they were by the Metropolitan Extensions Act authorized to raise, and to raise additional Money for the other Purposes of this Act; and whereas by Indenture dated the 1st Day of January 1857, and made between the Mid Kent Railway Company of the one Part and the Crystal Palace Railway Company of the other Part, the Crystal Palace Railway Company agreed to permit the Mid Kent Railway Company to take the Lands necessary for the Purposes of Part of the Farnborough Extension between the Junction therewith of the Mid Kent Railway and an intended Station of the Crystal Palace Railway Company at Beckenham, and for the Purposes of that Station and Works at Beckenham; and it was agreed that the Mid Kent Railway Company should construct that Portion of Railway, Station, and Works, and that of the Sum of 4,825*l.* 13*s.* 4*d.*, the estimated Expense of the Station and Works, the Mid Kent Railway Company should pay 2,575*l.* 13*s.* 4*d.*, and the Crystal Palace Railway Company 2,250*l.*, and that on Payment of the latter Sum those Companies should be Joint Owners of the said Station, and should appoint a Joint Committee for the Maintenance and Management thereof; and it was thereby also agreed that the Crystal Palace Railway Company should pay the entire Cost of the said Portion of Railway, and that on Payment thereof the Mid Kent Railway Company should deliver up the same to them, but should reserve and for ever possess and enjoy the free and uninterrupted Right to run over and use with their Engines, Tenders, Carriages, Waggons, or Trucks, or with those of any Railway Company using their Line, and to carry thereon and thereover all Traffic usually carried on Railways, over the said Portion of Railway, on Payment of a commuted Toll or Rent of 50*l.* per Annum; and by Articles of Agreement made the 23d Day of June 1857 between the Crystal Palace Railway Company of the one Part and the Crays

Company of the other Part (being an Agreement made on the Withdrawal by the Crays Company of their Opposition to a Bill of the Crystal Palace Railway Company then pending in Parliament), it was agreed that the Crays Company should be entitled to run and pass over, and to work and use with their Engines and Carriages or with the Engines and Carriages of any other Company which might work the Traffic of their Line, the Part of the Farnborough Extension between the Junction therewith of their Railway and the Junction therewith of the Mid Kent Railway on Terms to be settled by Arbitration; and whereas under the Powers of the Mid Kent Railway Act, 1855, the South-eastern Railway Company work and manage the Mid Kent Railway; and by an Agreement made the 9th Day of June 1858 between the South-eastern Railway Company of the one Part and the Crays Company of the other Part it was agreed that the South-eastern Railway Company should work the Railway of the Crays Company for 10 Years from the Date thereof, and they now work that Railway; and it would be for the public Advantage that such Provision as herein-after contained should be made for the better Supervision and Control of the Use and Management of the Farnborough Extension between the Beckenham Station and the Junction of the Farnborough Extension with the Railway of the Crays Company, and of the said Station at Beckenham and of the Railway of the Crays Company.

5. All Goods which shall be landed in the Docks or at any Quays or Wharfs of the Company, and which shall be lodged in charge of the Company, shall continue and be subject to such and the same Claim for Freight in favour of the Master or Owner of the Ship from or out of which such Goods shall be landed, or in favour of any other Person interested in the Freight of the same Goods, as such Goods were subject to whilst the same were on board such Ships and before they were landed; and the Company are hereby authorized and required, upon due Notice in that Behalf given to them by such Master, Owner, or other Person, to detain such Goods until the Claim or Demand made for or on account of Freight shall be satisfied, together with the Rates and Charges to which the same shall be liable, or until such Rates and Charges shall have been so paid, or a Deposit shall have been made equal in Amount to such Claim or Demand as aforesaid, which Deposit the Company are hereby authorized and directed to receive, and hold in trust until the Claim or Demand for Freight shall have been satisfied or adjudged to be invalid, when, upon Proof thereof being given to the Company, and Payment made to them of all Rates and Charges, if any, due upon such Goods, such Deposit shall be returned, upon Demand, to the Person by whom the same was made, or to his Executors, Administrators, or Assigns.

6. The Company on the Expiration of 15 Days next after any such Deposit shall have been made, and in case Notice in Writing to retain the Amount of such Deposit shall not in the meantime have been given to the Company by some Person claiming to be entitled to such Goods, shall with or out of the said Deposit, pay to the Master or Owner of the Vessel from which such Goods shall have been discharged, or other Person entitled to or interested in such Claim or Lien, the

Amount of his Claim or Lien, and may apply the Surplus, if any, of the said Deposit, in or towards Payment of the Rates or Charges, if any, then due to the Company on the Goods in respect of which such Deposit shall have been made, and all other Expenses, if any, incurred by the Company in respect thereof, and the Payment so made by the Company shall release and discharge them from all Claims and Demands whatsoever in respect of so much of such Deposit as they shall have paid to such Master, Owner, or other Person interested as aforesaid.

7. Provided, That every Owner or Consignee of Goods which shall have been stopped for Freight who shall require Delivery of the same on a Deposit shall by himself or his Agent make and deliver to the Company a Declaration in Writing, stating whether the Liability to Payment of Freight altogether, or the Amount only payable in respect of Freight, is disputed by him, and if the Amount only shall be in dispute, then also stating the Amount which he admits to be payable in respect of the Freight; and in every Case where any Sum shall be admitted to be due for Freight such admitted Amount shall be paid to the Shipowner or Master or other Person entitled to receive the same prior to the Delivery of the Goods, and in such Case the Amount in dispute only shall be the Sum to be deposited as aforesaid.

8. Provided also, That no Notice to hold or retain the Amount of such Deposit shall be of any Force or Effect for a longer Period than 30 Days from the Service thereof on the Company, unless some Action, Suit, or other Proceeding at Law or in Equity for determining the Right, Title, or Liability to the Freight in respect of which such Deposit shall have been made, or the Right to or the Ownership of such Deposit, shall in the meantime be actually commenced, and Notice thereof in Writing be served on the Company.

9. Notice to detain for Freight given within the Period of Seven Days next after the Day on which the Ship shall have begun to discharge her Cargo, and before the Company shall have parted with the Possession of the Goods referred to in such Notice, shall be effectual for the Purposes of this Act as to such Goods or any Part thereof not so parted with as aforesaid, notwithstanding the Issue by the Company of any Warrant, or the Receipt and Acceptance by them of any Order for Delivery or Transfer; but no Notice which shall be given to the Company after the Expiration of the Period last aforesaid shall be available in respect of any Goods for which the Company shall have issued a Warrant or in respect of which they shall have accepted an Order for Delivery or Transfer.

10. If in any Case in which Notice to detain any Goods for Freight shall have been given as aforesaid such Deposit as aforesaid shall not be made within 90 Days next after such Goods shall have been landed and lodged in charge as aforesaid, the Company may sell by Auction all or any Part of such Goods, and out of the Proceeds thereof shall in the first place pay the Duties (if any) payable to the Commissioners of Customs or Inland Revenue, and also retain and pay the Rates and Charges payable in respect of such Goods, and the Expenses of such Sale, and in the next place may pay to the Person who shall have given any such Notice as aforesaid the Amount of Freight claimed thereby, so far as such Proceeds shall extend, rendering the Surplus (if any) to the Person for whose Account such Goods shall be held in charge at or immediately previous to the Time of the Sale thereof; but the Company shall not sell a greater Portion of such Goods than shall in their Judgment be sufficient to cover the Amount of the said Duties and Expenses, Rates, Charges, and Freight.

11. Except only as is by this Act otherwise expressly provided with respect to damaged or perishable Goods, no such Sale shall be made until after Ten Days Notice in Writing of such intended Sale shall have been sent through the Post Office by registered Letter or otherwise, given to the Person for whose Account such Goods shall be held in charge, if the Name and Residence or Place of Business of such Person shall be known, or if the Name, Residence, or Place of Business of such Person shall not be known, then until Ten Days after such Notice shall have been inserted twice in some Newspaper published in London.

12. Provided nevertheless, That with respect to all damaged Goods or Goods of a perishable Nature deposited and lodged with the Company, they may, if they think fit, sell such Goods at any Time when in their Judgment such Goods would be materially injured or lessened in Value by being retained by them, and whether or not they have Notice of the Nonpayment of Freight claimed on such Goods, or Notice to retain the same.

13. Where the Company so sell any such damaged or perishable Goods they shall apply the Proceeds of the Sale, so far as they suffice, in the first place in Payment of the Customs Duties and Inland Revenue Duties (if any) payable in respect of such Goods, and in the next place in Payment of the Rates, Rents, and Charges due and payable to the Company in respect thereof, and the Expenses of the Sale, and in the next place, if the Company have been duly served with Notice according to this Act of the Claim for Freight in respect of such Goods (but not otherwise), in Payment of the Freight, rendering, on Demand, the Surplus (if any) of the Proceeds and the unsold Goods (if any) to the Person entitled thereto.

14. The Company shall not be in any Manner responsible for or affected by the Invalidity or Excess of any Claim or Lien for Freight made or claimed upon or in respect of any Goods warehoused by them, or lodged or deposited in their Charge.

15. The Company from Time to Time, at the Request of any Person or Persons warehousing or depositing any Goods in any Warehouse, or upon or in any of the Quays, Yards, Buildings, or Property of the Company, or entitled to any such Goods, may, if they think fit, issue and deliver to such Person or Persons a Certificate, in a Form approved by the Company, for the Delivery of the Goods so warehoused or deposited, or a Warrant, in a Form approved by the Company, for the Delivery of such Goods or any Part thereof, to be respectively specified in the Warrant.

16. The Goods specified in every such Certificate of the warehousing or depositing thereof shall for all Purposes of this Act be deemed the Property of the Person or Persons in that Behalf named in such Certificate.

17. Provided always, That the Company shall not be bound to give any such Warrant for Delivery unless and until all Liens and Claims whatsoever for Freight and otherwise to which the Goods were liable before, or for the warehousing or depositing of the same, or of which the Company have Notice in Writing, and all Rates, Rents, Charges, and Expenses payable to the Company with respect to the warehousing or depositing of the Goods, or for Services performed by the Company in respect thereof, are paid or discharged.

18. Provided also, That before the Warrant for the Delivery of all or any of the Goods specified in any Certificate is issued by the Company, the Certificate shall be delivered to them to be cancelled; provided also, that if the Warrant be for the Delivery of Part only of the Goods the Company shall issue to the Party so delivering up the Certificate a new Certificate with respect to the Goods not specified in the Warrant.

19. Every such Warrant for Delivery shall be transferable by special Endorsement, and shall entitle the Person named therein, or the last Endorsee thereof named in the Endorsement, to the Goods specified therein, and the Goods so specified shall for all Purposes be deemed his Property.

III.—Pending Applications for Provisional Orders.

23. 'And whereas it was by the Principal Act (Section Nine) enacted, that in case the Promoters, 'or any Persons being the Owners or Proprietors of any Works, or any Persons having the Manage- 'ment of or Powers to construct any such Works under any Local Act of Parliament, or any Town 'Council of any Seaport Town not having any constituted Harbour Trust, should be desirous of 'levying any Rates for the Maintenance of such Works, or of altering the Schedule of Rates then 'leviable thereat, they should prepare a Schedule of such Rates which they might think reasonable and 'proper to be levied at such Works, and should publish such Schedule in a Newspaper as therein 'specified, and should also deposit a printed Copy of such Schedule at such Office as therein specified, 'and also transmit a Copy of such Schedule to the Board of Trade with such other Documents as 'therein specified, and that after such Proceedings and the Lapse of such Time as therein specified the 'Board of Trade should finally adjust and fix a Schedule of Rates, not exceeding the Rates specified in 'the Schedule to The Burgh Harbours (*Scotland*) Act, 1853, and that thereupon the Board of Trade 'might by Provisional Order empower any of the Persons in the Section now in recital mentioned to 'levy Rates according to such Schedule:

'And whereas under the said recited Provision, Persons within the Description therein contained 'have prepared Schedules of Rates which they thought reasonable and proper to be levied, and have 'published, deposited, and transmitted the same in manner by the said recited Provision required, but 'the Board of Trade on proceeding to finally adjust and fix Schedules of Rates have in certain Cases 'found that the Schedules so prepared, published, deposited, and transmitted comprise Rates in some 'Instances exceeding the Rates specified in the Schedule to The Burgh Harbours (*Scotland*) Act, '1853, and in other Instances leviable in respect of Subjects not specified in the last-mentioned 'Schedule:

'And whereas in the several Cases aforesaid it is represented to the Board of Trade by the 'Promoters, and the Board of Trade have no Reason to doubt, that it is essential to the Success of 'the several Undertakings that an Opportunity should be given to the Promoters of obtaining the 'Sanction of Parliament to the several Schedules of Rates so prepared, published, deposited, and 'transmitted as aforesaid, without reference to the Conformity of such Schedules with the Schedule to 'The Burgh Harbours (*Scotland*) Act, 1853:' Be it therefore enacted as follows: Proceedings under Section 9 of Principal Act for fixing Schedule of Rates.

Where any Schedule of Rates has been prepared, published, deposited, and transmitted as aforesaid, and it appears to the Board of Trade to be expedient that the same, or the same as modified on any Objection taken under the Principal Act, should be authorized by a Provisional Order, it shall be lawful for the Board of Trade to finally adjust and fix a Schedule of Rates, not exceeding the Rates specified in the Schedule so prepared, published, deposited, and transmitted, or so modified, and thereupon by Provisional Order to authorize the Levying and Recovery of Rates according to the Schedule so finally adjusted and fixed, notwithstanding that the same may in any respect differ from the Schedule to The Burgh Harbours (*Scotland*) Act, 1853: Provided, that it shall be lawful for the Board of Trade, if in any Case they think fit, before finally adjusting and fixing any such Schedule, to require the Promoters to publish any further or other Notice relative to the proposed Schedule as the Board of Trade may direct. Power to Board of Trade to authorize Schedule as published, though differing from Schedule referred to in Principal Act.

CAP. XXXVI.

An Act to appropriate certain Portions of Land lying between High and Low Water Mark, situate in the Parishes of *Shoebury* and *Wakering* in the County of *Essex*, as Ranges for the Use and Practice of Artillery. [17th *July* 1862.]

'WHEREAS certain Lands in the Parish of *Shoebury* in the County of *Essex* have been purchased in Fee, and certain other Lands therein and in the Parish of *Wakering* in the same County have been acquired for certain Terms of Years under the "Defence Act, 1842," and the "Ordnance Board Transfer Act, 1855," and are now vested in and possessed by Her Majesty's Principal Secretary of State for the War Department in trust for Her Majesty, the Particulars of which Premises and of his Estate and Interest therein are mentioned and set forth in the Schedule to this Act, and are shown and delineated on the Map or Plan made thereof and to be deposited with the Lords Commissioners of the Admiralty: And whereas the said Lands and Premises have been used and appropriated for the Establishment of a School of Gunnery and the Practice of Artillery, and large Sums of Money have been expended in the Erection of Barracks and Quarters for Officers and Soldiers at *Shoebury* aforesaid: And whereas it is alleged that Portion of the Lands and Premises which lies between High and Low Water Mark is subject to the Rights of Passage and Anchorage of Vessels in the Water or Sea flowing over the same, and at Low Water to certain other Rights of Grounding thereon: And whereas such alleged Rights, if suffered to continue, would very much interfere with and impede the useful Purposes intended to be effected by the Acquisition of the said Lands and Premises and by the Establishment of the School of Gunnery aforesaid, and would be highly detrimental to the Public Service; and for the Reasons aforesaid it is expedient that the same should be forthwith partially extinguished and the said Premises be kept free from all the Anchorage or Grounding of Vessels, Barges, and other Craft:' Be it therefore enacted by the Queen's most Excellent Majesty, by and with the Advice and Consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the Authority of the same, as follows:

5 & 6 Vict. c. 94.
18 & 19 Vict. c. 117.

Spaces for the Practice of Artillery to be kept free and open, and to be marked by Buoys, &c.

1. So long as the Lands and Premises mentioned in the Schedule to this Act shall remain vested in or be possessed by Her Majesty's Principal Secretary of State for the War Department in trust as aforesaid, he shall from Time to Time, as Occasion may require, cause to be marked out and distinguished by Buoys, or other sufficient Marks to be erected or fixed upon the said Lands and Premises, such Spaces or Distances thereon as he may judge necessary, to be kept free from all Anchorage or Grounding of Vessels of any Kind, and to order and direct that the several Spaces or Distances so marked out and distinguished shall be and remain as Ranges for Artillery Practice, freed from all Rights of Anchorage or Grounding thereon.

Rights of Anchorage and Grounding to cease, and Notice to be given to the Admiralty, and advertised, &c.

2. Whenever the said Principal Secretary shall have marked out and appropriated any Spaces or Distances for Ranges as aforesaid, all Rights (if any) of Anchorage and Grounding over or upon the same shall absolutely cease and determine, and a Notification thereof shall be made to the Lords of the Admiralty, and be published in the *London Gazette*, and by Advertisement in some Morning Newspaper and in some local Newspaper circulated in the said County of *Essex*, and by affixing the same on the Church Doors of the said several Parishes aforesaid.

No Vessel or Person to pass over Ranges marked out pursuant to this Act.

Penalty for Offences to be recovered as in 11 & 12 Vict. c. 43.

3. CAP. XL.

An Act to carry into effect the Treaty between Her Majesty and the United States of *America* for the Suppression of the *African* Slave Trade. [17th *July* 1862.]

'WHEREAS on the Seventh Day of *April* in the Year of our Lord One thousand eight hundred and sixty-two a Treaty was concluded and signed at *Washington*, between Her Majesty the Queen of the United Kingdom of *Great Britain* and *Ireland* and the United States of *America*, for the Suppression of the *African* Slave Trade, whereby it was agreed as follows:

'TREATY

'TREATY between Her Majesty and the United States of *America*, for the Suppression of the 'African Slave Trade. Signed at *Washington*, *April* 7, 1862. Ratifications exchanged 'at *London*, *May* 20, 1862.

'Her Majesty the Queen of the United Kingdom of *Great Britain* and *Ireland* and the United 'States of *America* being desirous to render more effectual the Means hitherto adopted for the 'Suppression of the Slave Trade carried on upon the Coast of *Africa*, have deemed it expedient to 'conclude a Treaty for that Purpose, and have named as their Plenipotentiaries; that is to say,

'Her Majesty the Queen of the United Kingdom of *Great Britain* and *Ireland*, the Right 'Honourable *Richard Bickerton Pemell* Lord *Lyons*, a Peer of Her United Kingdom, a Knight 'Grand Cross of Her Most Honourable Order of the Bath, and Her Envoy Extraordinary and 'Minister Plenipotentiary to the United States of *America*;

'And the President of the United States of *America*, *William H. Seward*, Secretary of State;

'Who, after having communicated to each other their respective full Powers, found in good and 'due Form, have agreed upon and concluded the following Articles.

'ARTICLE I.—The Two High Contracting Parties mutually consent that those Ships of their 'respective Navies which shall be provided with special Instructions for that Purpose, as herein- 'after mentioned, may visit such Merchant Vessels of the Two Nations as may, upon reasonable 'Grounds, be suspected of being engaged in the *African* Slave Trade, or of having been fitted out 'for that Purpose, or of having, during the Voyage on which they are met by the said Cruizers, 'been engaged in the *African* Slave Trade, contrary to the Provisions of this Treaty; and that 'such Cruizers may detain, and send or carry away, such Vessels, in order that they may be brought 'to Trial in the Manner herein-after agreed upon.

'In order to fix the reciprocal Right of Search in such a Manner as shall be adapted to the 'Attainment of the Object of this Treaty, and at the same Time avoid Doubts, Disputes, and 'Complaints, the said Right of Search shall be understood in the Manner and according to the 'Rules following:—

'First.—It shall never be exercised except by Vessels of War, authorized expressly for that 'Object, according to the Stipulations of this Treaty.

'Secondly.—The Right of Search shall in no Case be exercised with respect to a Vessel of 'the Navy of either of the Two Powers, but shall be exercised only as regards Merchant Vessels; 'and it shall not be exercised by a Vessel of War of either Contracting Party within the Limits 'of a Settlement or Port, nor within the territorial Waters, of the other Party.

'Thirdly.—Whenever a Merchant Vessel is searched by a Ship of War, the Commander of the 'said Ship shall, in the Act of so doing, exhibit to the Commander of the Merchant Vessel the 'special Instructions by which he is duly authorized to search, and shall deliver to such Com- 'mander a Certificate, signed by himself, stating his Rank in the Naval Service of his Country, 'and the Name of the Vessel he commands, and also declaring that the only Object of the Search 'is to ascertain whether the Vessel is employed in the *African* Slave Trade, or is fitted up for 'the said Trade. When the Search is made by an Officer of the Cruizer who is not the Com- 'mander, such Officer shall exhibit to the Captain of the Merchant Vessel a Copy of the before- 'mentioned special Instructions, signed by the Commander of the Cruizer, and he shall in like 'Manner deliver a Certificate, signed by himself, stating his Rank in the Navy, the Name of the 'Commander by whose Orders he proceeds to make the Search, that of the Cruizer in which he 'sails, and the object of the Search, as above described. If it appears from the Search that the 'Papers of the Vessel are in regular Order, and that it is employed on lawful Objects, the Officer 'shall enter in the Log Book of the Vessel that the Search has been made in pursuance of the 'aforesaid special Instructions, and the Vessel shall be left at liberty to pursue its Voyage. The 'Rank of the Officer who makes the Search must not be less than that of Lieutenant in the Navy, 'unless the Command, either by reason of Death or other Cause, is at the Time held by an Officer 'of inferior Rank.

'Fourthly.—The reciprocal Right of Search and Detention shall be exercised only within the 'Distance of Two hundred Miles from the Coast of *Africa*, and to the Southward of the Thirty- 'second Parallel of North Latitude, and within Thirty Leagues from the Coast of the Island of '*Cuba*.

'ARTICLE II.—In order to regulate the Mode of carrying the Provisions of the preceding 'Article into execution, it is agreed—

'First.—That all the Ships of the Navies of the Two Nations which shall be hereafter 'employed to prevent the *African* Slave Trade shall be furnished by their respective Govern- 'ments with a Copy of the present Treaty, of the Instructions for Cruizers annexed thereto, 'marked A, and of the Regulations for the Mixed Courts of Justice annexed thereto, marked B, 'which Annexes respectively shall be considered as integral Parts of the present Treaty.

'Secondly.—That each of the High Contracting Parties shall from Time to Time communi- 'cate to the other the Names of the several Ships furnished with such Instructions, the Force

'of

'of each, and the Names of their several Commanders. The said Commanders shall hold the 'Rank of Captain in the Navy, or at least that of Lieutenant; it being nevertheless understood 'that the Instructions originally issued to an Officer holding the Rank of Lieutenant of the 'Navy, or other superior Rank, shall, in case of his Death or temporary Absence, be sufficient 'to authorize the Officer on whom the Command of the Vessel has devolved to make the Search, 'although such Officer may not hold the aforesaid Rank in the Service.

'Thirdly.—That if at any Time the Commander of a Cruizer of either of the Two Nations 'shall suspect that any Merchant Vessel under the Escort or Convoy of any Ship or Ships of 'War of the other Nation carries Negroes on board, or has been engaged in the *African* Slave 'Trade, or is fitted out for the Purpose thereof, the Commander of the Cruizer shall communi- 'cate his Suspicions to the Commander of the Convoy, who, accompanied by the Commander of 'the Cruizer, shall proceed to the Search of the suspected Vessel; and in case the Suspicions 'appear well founded, according to the Tenor of this Treaty, then the said Vessel shall be 'conducted or sent to One of the Places where the Mixed Courts of Justice are stationed, in 'order that it may there be adjudicated upon.

'Fourthly.—It is further mutually agreed, that the Commanders of the Ships of the Two 'Navies respectively, who shall be employed on this Service, shall adhere strictly to the exact 'Tenor of the aforesaid Instructions.

'ARTICLE III.—As the Two preceding Articles are entirely reciprocal, the Two High 'Contracting Parties engage mutually to make good any Losses which their respective Subjects or 'Citizens may incur by an arbitrary and illegal Detention of their Vessels; it being understood 'that this Indemnity shall be borne by the Government whose Cruizer shall have been guilty of 'such arbitrary and illegal Detention; and that the Search and Detention of Vessels specified in 'the First Article of this Treaty shall be effected only by Ships which may form Part of the Two 'Navies respectively, and by such of those Ships only as are provided with the special Instructions 'annexed to the present Treaty, in pursuance of the Provisions thereof. The Indemnification for 'the Damages of which this Article treats shall be paid within the Term of One Year, reckoning 'from the Day in which the Mixed Court of Justice pronounces its Sentence.

'ARTICLE IV.—In order to bring to Adjudication with as little Delay and Inconvenience as 'possible the Vessels which may be detained according to the Tenor of the First Article of this 'Treaty, there shall be established, as soon as may be practicable, Three Mixed Courts of Justice, 'formed of an equal Number of Individuals of the Two Nations, named for this Purpose by their 'respective Governments. These Courts shall reside, One at *Sierra Leone*, One at the *Cape of 'Good Hope*, and One at *New York*.

'But each of the Two High Contracting Parties reserves to itself the Right of changing, at its 'Pleasure, the Place of Residence of the Court or Courts held within its own Territories.

'These Courts shall judge the Causes submitted to them according to the Provisions of the present 'Treaty, and according to the Regulations and Instructions which are annexed to the present 'Treaty, and which are considered an integral Part thereof; and there shall be no Appeal from 'their Decision.

'ARTICLE V.—In case the Commanding Officer of any of the Ships of the Navies of either 'Country, duly commissioned according to the Provisions of the First Article of this Treaty, shall 'deviate in any respect from the Stipulations of the said Treaty, or from the Instructions annexed 'to it, the Government which shall conceive itself to be wronged thereby shall be entitled to 'demand Reparation; and in such Case the Government to which such Commanding Officer 'may belong binds itself to cause Inquiry to be made into the Subject of the Complaint, and to 'inflict upon the said Officer a Punishment proportioned to any wilful Transgression which he 'may be proved to have committed.

'ARTICLE VI.—It is hereby further mutually agreed, that every *British* or *American* Merchant 'Vessel which shall be searched by virtue of the present Treaty may lawfully be detained, and 'sent or brought before the Mixed Courts of Justice established in pursuance of the Provisions 'thereof, if in her Equipment there shall be found any of the Things herein-after mentioned; 'namely,

'1st.—Hatches with open Gratings, instead of the close Hatches which are usual in Merchant 'Vessels.

'2d.—Divisions or Bulkheads in the Hold or on Deck in greater Number than are necessary 'for Vessels engaged in lawful Trade.

'3d.—Spare Plank fitted for laying down as a Second or Slave Deck.

'4th.—Shackles, Bolts, or Handcuffs.

'5th.—A larger Quantity of Water in Casks or in Tanks than is requisite for the Consumption 'of the Crew of the Vessel as a Merchant Vessel.

'6th.—An

'6th.—An extraordinary Number of Water Casks, or of other Vessels for holding Liquid; 'unless the Master shall produce a Certificate from the Custom House at the Place from which 'he cleared outwards, stating that a sufficient Security had been given by the Owners of such 'Vessel that such extra Quantity of Casks or of other Vessels should be used only to hold Palm 'Oil, or for other Purposes of lawful Commerce.

'7th.—A greater Number of Mess Tubs or Kids than requisite for the Use of the Crew of the 'Vessel as a Merchant Vessel.

'8th.—A Boiler or other Cooking Apparatus of an unusual Size, and larger or capable of 'being made larger than requisite for the Use of the Crew of the Vessel as a Merchant Vessel, 'or more than One Boiler or other Cooking Apparatus of the ordinary Size.

'9th.—An extraordinary Quantity of Rice, of the Flour of *Brazil*, of Manioc or Cassada 'commonly called Farinha, of Maize, or of Indian Corn, or of any other Article of Food what- 'ever, beyond the probable Wants of the Crew; unless such Rice, Flour, Farinha, Maize, Indian 'Corn, or other Article of Food be entered on the Manifest as Part of the Cargo for Trade.

'10th.—A Quantity of Mats or Matting greater than is necessary for the Use of the Crew of 'the Vessel as a Merchant Vessel; unless such Mats or Matting be entered on the Manifest as 'Part of the Cargo for Trade.

'If it be proved that any One or more of the Articles above specified is or are on board, or have 'been on board during the Voyage in which the Vessel was captured, that Fact shall be considered 'as *primâ facie* Evidence that the Vessel was employed in the *African* Slave Trade, and she shall 'in consequence be condemned and declared lawful Prize; unless the Master or Owners shall 'furnish clear and incontrovertible Evidence, proving to the Satisfaction of the Mixed Court of 'Justice that at the Time of her Detention or Capture the Vessel was employed in a lawful Under- 'taking, and that such of the different Articles above specified as were found on board at the Time 'of Detention, or as may have been embarked during the Voyage on which she was engaged when 'captured, were indispensable for the lawful Object of her Voyage.

'ARTICLE VII.—If any One of the Articles specified in the preceding Article as Grounds for 'Condemnation should be found on board a Merchant Vessel, or should be proved to have been on 'board of her during the Voyage on which she was captured, no Compensation for Losses, 'Damages, or Expenses consequent upon the Detention of such Vessel shall in any Case be 'granted, either to the Master, the Owner, or any other Person interested in the Equipment or in 'the Lading, even though she should not be condemned by the Mixed Court of Justice.

'ARTICLE VIII.—It is agreed between the Two High Contracting Parties, that in all Cases in 'which a Vessel shall be detained under this Treaty by their respective Cruizers as having been 'engaged in the *African* Slave Trade, or as having been fitted out for the Purposes thereof, and 'shall consequently be adjudged and condemned by One of the Mixed Courts of Justice to be 'established as aforesaid, the said Vessel shall, immediately after its Condemnation, be broken up 'entirely and shall be sold in separate Parts, after having been so broken up; unless either of the 'Two Governments should wish to purchase her for the Use of its Navy at a Price to be fixed by 'a competent Person chosen for that Purpose by the Mixed Court of Justice; in which Case the 'Government whose Cruizer shall have detained the condemned Vessel shall have the First 'Option of Purchase.

'ARTICLE IX.—The Captain, Master, Pilot, and Crew of any Vessel condemned by the Mixed 'Courts of Justice shall be punished according to the Laws of the Country to which such Vessel 'belongs, as shall also the Owner or Owners, and the Persons interested in Her Equipment or 'Cargo, unless they prove that they had no Participation in the Enterprize.

'For this Purpose the Two High Contracting Parties agree that, in so far as it may not be 'attended with grievous Expense and Inconvenience, the Master and Crew of any Vessel which 'may be condemned by a Sentence of One of the Mixed Courts of Justice, as well as any other 'Persons found on board the Vessel, shall be sent and delivered up to the Jurisdiction of the 'Nation under whose Flag the condemned Vessel was sailing at the Time of Capture; and that 'the Witnesses and Proofs necessary to establish the Guilt of such Master, Crew, or other Persons 'shall also be sent with them.

'The same Course shall be pursued with regard to Subjects or Citizens of either Contracting 'Party who may be found by a Cruizer of the other on board a Vessel of any Third Power, or on 'board a Vessel sailing without Flag or Papers, which may be condemned by any competent Court 'for having engaged in the *African* Slave Trade.

'ARTICLE X.—The Negroes who are found on board of a Vessel condemned by the Mixed 'Courts of Justice, in conformity with the Stipulations of this Treaty, shall be placed at the 'Disposal of the Government whose Cruizer has made the Capture. They shall be immediately 'set at liberty, and shall remain free, the Government to whom they have been delivered 'guaranteeing their Liberty.

'ARTICLE XI.—The Acts or Instruments annexed to this Treaty, and which it is mutually 'agreed shall form an integral Part thereof, are as follows:

'(A.) Instructions for the Ships of the Navies of both Nations destined to prevent the '*African* Slave Trade.

'(B.) Regulations for the Mixed Courts of Justice.

'ARTICLE XII.—The present Treaty shall be ratified, and the Ratifications thereof shall be 'exchanged at *London* in Six Months from this Date, or sooner if possible. It shall continue 'and remain in full Force for the Term of Ten Years from the Day of Exchange of the Ratifi- 'cations, and further, until the End of One Year after either of the Contracting Parties shall have 'given Notice to the other of its Intention to terminate the same; each of the Contracting Parties 'reserving to itself the Right of giving such Notice to the other at the End of said Term of 'Ten Years. And it is hereby agreed between them, that on the Expiration of One Year after 'such Notice shall have been received by either from the other Party this Treaty shall altogether 'cease and determine.

'In witness whereof the respective Plenipotentiaries have signed the present Treaty, and have 'thereunto affixed the Seal of their Arms.

'Done at *Washington* the Seventh Day of *April* in the Year of our Lord One thousand eight 'hundred and sixty-two.

'ARTICLE I.—The Commander of any Ship belonging to the *British* or United States Navy 'which shall be furnished with these Instructions shall have a Right to search and detain any '*British* or United States Merchant Vessel which shall be actually engaged or suspected to be 'engaged in the *African* Slave Trade, or to be fitted out for the Purposes thereof, or to have been 'engaged in such Trade during the Voyage in which she may be met with by such Ship of the '*British* or United States Navy; and such Commander shall thereupon bring or send such 'Merchant Vessel (save in the Case provided for in Article V. of these Instructions) as soon as 'possible for Judgment before One of the Three Mixed Courts of Justice established in virtue of 'the IVth Article of the said Treaty; that is to say,

'If the Vessel shall be detained on the Coast of *Africa*, she shall be brought before that One of 'the Two Mixed Courts of Justice to be established at the *Cape of Good Hope* and at *Sierra 'Leone* which may be nearest to the Place of Detention, or which the Captor, on his own 'Responsibility, may think can be soonest reached from such Place.

'If the Vessel shall be detained on the Coast of the Island of *Cuba*, she shall be brought before 'the Mixed Court of Justice at *New York*.

' The Judges and the Arbitrators shall, before they enter upon the Duties of their Office, ' respectively make Oath before the principal Magistrate of the Place in which such Courts shall ' respectively reside, that they will judge fairly and faithfully ; that they will have no Preference ' either for Claimant or for Captor ; and that they will act in all their Decisions in pursuance of ' the Stipulations of the aforesaid Treaty.

' There shall be attached to each of such Courts a Secretary or Registrar, who shall be appointed ' by the Party in whose Territories such Court shall reside.

' Such Secretary or Registrar shall register all the Acts of the Court to which he is appointed, ' and shall, before he enters upon his Office, make Oath before the Court that he will conduct him- ' self with due Respect for its Authority, and will act with Fidelity and Impartiality in all Matters ' relating to his Office.

' ARTICLE II.—The Expenses incurred by the Officer charged with the Reception, Maintenance, ' and Care of the detained Vessel, Negroes, and Cargo, and with the Execution of the Sentence, ' and all Disbursements occasioned by bringing a Vessel to Adjudication, shall in case of Con- ' demnation be defrayed from the Funds arising out of the Sale of the Materials of the Vessel, ' after the Vessel shall have been broken up, of the Ship's Stores, and of such Parts of the Cargo

'ARTICLE IV.—The Form of the Process or Mode of proceeding to Judgment shall be as 'follows:

'The Judges appointed by the Two Governments respectively shall in the first place proceed to 'examine the Papers of the detained Vessel, and shall take the Depositions of the Master or Com- 'mander, and of Two or Three at least of the principal Individuals on board of such Vessel, and 'shall also take the Declaration on Oath of the Captor, if it should appear to them necessary to do 'so, in order to judge and to pronounce whether the said Vessel has been justly detained or not, 'according to the Stipulations of the aforesaid Treaty, and in order that, according to such 'Judgment, the Vessel may be condemned or released. In the event of the Two Judges not 'agreeing as to the Sentence which they ought to pronounce in any Case brought before them, 'whether with respect to the Legality of the Detention, or the Liability of the Vessel to Con- 'demnation, or as to the Indemnification to be allowed, or as to any other Question which may 'arise out of the said Capture, or in case any Difference of Opinion should arise between them as 'to the Mode of proceeding in the said Court, they shall draw by Lot the Name of One of the 'Two Arbitrators so appointed as aforesaid, which Arbitrator, after having considered the 'Proceedings which have taken place, shall consult with the Two Judges on the Case; and the 'final Sentence or Decision shall be pronounced conformably to the Opinion of the Majority of 'the Three.

'ARTICLE V.—If the detained Vessel shall be restored by the Sentence of the Court, the 'Vessel and the Cargo, in the State in which they shall then be found (with the Exception of the 'Negroes found on board, if such Negroes shall have been previously disembarked under the Pro- 'visions of Articles IV. and V. of the Instructions annexed to the Treaty of this Date), shall 'forthwith be given up to the Master, or to the Person who represents him; and such Master or 'other Person may, before the same Court, claim a Valuation of the Damages which he may have 'a Right to demand. The Captor himself, and in his Default his Government, shall remain 'responsible for the Damages to which the Master of such Vessel, or the Owners either of the 'Vessel or of her Cargo, may be pronounced to be entitled.

'The Two High Contracting Parties bind themselves to pay, within the Term of a Year from 'the Date of the Sentence, the Costs and Damages which may be awarded by the Court; it being 'mutually agreed that such Costs and Damages shall be paid by the Government of the Country 'of which the Captor shall be a Subject.

'ARTICLE VI.—If the detained Vessel shall be condemned, she shall be declared lawful Prize, 'together with her Cargo, of whatever Description it may be, with the Exception of the Negroes 'who shall have been brought on board for the Purpose of Trade; and the said Vessel, subject to 'the Stipulations in the VIIIth Article of the Treaty of this Date, shall, as well as her Cargo, be 'sold by Public Sale for the Profit of the Two Governments, subject to the Payment of the 'Expenses herein-after mentioned.

'The Negroes who may not previously have been disembarked shall receive from the Court a 'Certificate of Emancipation, and shall be delivered over to the Government to whom the Cruizer 'which made the Capture belongs, in order to be forthwith set at liberty.

'ARTICLE VII.—The Mixed Courts of Justice shall also take cognizance of, and shall decide 'definitively and without Appeal, all Claims for Compensation on account of Losses occasioned to 'Vessels and Cargoes which shall have been detained under the Provisions of this Treaty, but 'which shall not have been condemned as legal Prize by the said Courts; and in all Cases wherein 'Restitution of such Vessels and Cargoes shall be decreed, save as mentioned in the VIIth Article 'of the Treaty to which these Regulations form an Annex, and in a subsequent Part of these 'Regulations, the Court shall award to the Claimant or Claimants, or to his or their lawful 'Attorney or Attornies, for his or their Use, a just and complete Indemnification for all Costs of 'Suit, and for all Losses and Damages which the Owner or Owners may have actually sustained 'by such Capture and Detention; and it is agreed that the Indemnification shall be as follows:

'First.—In case of total Loss, the Claimant or Claimants shall be indemnified,—

'(A.) For the Ship, her Tackle, Equipment, and Stores.

'(B.) For all Freights due and payable.

'(C.) For the Value of the Cargo of Merchandise, if any, deducting all Charges and Expenses 'which would have been payable upon the Sale of such Cargo, including Commission of Sale.

'(D.) For all other regular Charges in such Case of total Loss.

'Secondly.—In all other Cases (save as herein-after mentioned) not of total Loss, the Claimant or Claimants shall be indemnified,—

'(A.) For all special Damages and Expenses occasioned to the Ship by the Detention, and 'for Loss of Freight, when due or payable.

'(B.) For Demurrage, when due, according to the Schedule annexed to the present Article.

'(C.) For any Deterioration of the Cargo.

'(D.) For all Premium of Insurance on additional Risks.

'The Claimant or Claimants shall be entitled to Interest at the Rate of 5 (Five) *per Cent. per Annum* on the Sum awarded, until such Sum is paid by the Government to which the capturing 'Ship belongs. The whole Amount of such Indemnifications shall be calculated in the Money of 'the Country to which the detained Vessel belongs, and shall be liquidated at the Exchange 'current at the Time of the Award.

'The Two High Contracting Parties, however, have agreed, that if it shall be proved to the 'Satisfaction of the Judges of the Two Nations, and without having recourse to the Decision 'of an Arbitrator, that the Captor has been led into Error by the Fault of the Master or Commander of the detained Vessel, the detained Vessel in that Case shall not have the Right of 'receiving for the Time of her Detention the Demurrage stipulated by the present Article, nor 'any other Compensation for Losses, Damages, or Expenses consequent upon such Detention.
